Annexure III

EXPLANATION OF COMPENSATION STRUCTURE AND EMPLOYEE BENEFITS

To facilitate an easy understanding of your compensation structure (Cost to Company, CTC), the various components are explained as following:

BASIC SALARY The Basic Salary is standard across organization and brought to a certain value of the CTC. Basic salary has an impact on various other components such as the PF contribution, medical insurance cover, Gratuity, HRA etc. and hence has to be balanced so as not to substantially reduce the employee's take home salary.

House Rent Allowance (HRA) The HRA is payable maximum Up to 100% of the Basic Salary and paid monthly. This includes the Company Leased Accommodation value. For those who are not staying in a rented accommodation, can declare the same in the system post joining and this amount would be paid as taxable component.

Advance Statutory Bonus Applicable where monthly gross does not exceed INR 21,000 (excluding variable component) as per the Payment of Bonus Act.

Attendance Allowance Attendance Allowance is payable max. up to INR.1000/- per month.

Food Wallet Food Wallet is a voluntary benefit and is applicable for payments related to food and non- alcoholic beverages only. Once enrolled, the benefit should be availed within HCL Cafeterias or food joints outside HCL campus which serves only food and non-alcoholic beverages. This Food Wallet cannot be used in any other outlet other than designated food outlet.

Compensatory Allowance Compensatory Allowance is a buffer component that adjusts the amount of CTC against all other fixed components.

Medical Insurance Some of the salient features of the Group Health Medical Insurance policy are as follows

- The policy covers Hospitalization expenses and Maternity expenses.
- By default, the employees (who are not covered under the ESI Act, 1948) will be mandatorily covered under the benefit. The benefit will also be available to cover Spouse, dependent children, dependent parents/in-laws, dependent brothers who are unemployed but below the age of 25 and sisters
