## How we get results

- **Goal Oriented** :

All our programs are outcome based. Our aim is results, not completion of hours.

- **Customized and Dynamic:**

Our CRT is customized taking into account the quality of intake, major hiring companies, placement strategy, segregation of students based on needs.

- **Measure Progress** :

Progress is measured at regular intervals. No program is conducted without measuring progress.

- **Identify Gaps :**

Needs are identified based on desired outcome and current status. Focused training strategy for students who are low of employability skills to improve overall placement results.

- **Practice** :

Practice makes a man perfect! We believe in this and that's why practice is an integral part of our programs.

- **Length of Training** :

Length of the program is designed based on the outcome and gaps.

- **Daily Training Hours** :

Programs are conducted for 2-3hours per day. We all know, anything more than that will not be effective.

- **Multiple Phases** :

Our programs are spread across many phases so that the assimilation and retention is better.
