**9. Pass Percentage of Students during the Year**

The pass percentage of students indicates the proportion of students who have successfully cleared their examinations. It serves as a crucial metric to evaluate academic performance and highlights the overall success rate among students in a particular course or examination.

Year	Program Name	Number of students appeared in the final year examination	Number of students passed in final year examination	pass percentage (Department wise)
2023-24	CE	50	45	90%
	EEE	56	55	98.21%
	ME	44	39	88.63%
	ECE	123	121	98.37%
