

Date: 29 -03-2024

CIRCULAR

All the III/IV B. Tech students are hereby informed that, Department of Electronics and Communication Engineering is conducting an ICT oriented program on "Physical Design automation for Layout Design". The program to be held from 08-04-2024 & 09-04-2024. The details of the program are displayed in the notice board. All the interested students are instructed to contact Dr.D.Ravi Tej, Associate Professor, Department of Electronics and Communication Engineering on or before 01-04-2024. All the registered students must attend the program and complete the course.

PROGRAM REPORT

- Name of the Program** : ICT oriented program on “Physical Design automation for Layout Design”
- Dates** : 08th April to 09th April 2024
- Resource Person** : Mr.Ashraf Ali, Specialist Trainer, BIST Technologies. .
- Number of Participants** : 68
- Program Objective** : The main objective of this program is to make the interested students understand the design procedure of Layout for the taken digital design and then perform the extraction process for getting the mask ready layout for the fabrication of the designed digital model.
- Topics Covered** : The topics covered in this program are
- Simulation of digital design
 - Tanner EDA Tool introduction
 - S-Edit
 - LVS vs Schematic
 - Design specifications
 - SDL(Schematic Driven Layout)
- Program Outcome** : Completing this course provide the students with a good Understanding of Physical Design Automation procedure using Tanner Tool to design the final Layout of the taken digital system and verify its correctness and make it mask ready to hand-over to the fabrication engineer.

Subject: Invitation to Dr. Venkatesh Kondaveti for Guest Lecture on **How to plan for start-up and legal & ethical steps.**

Dear Dr. Venkatesh Kondaveti,

I hope this email finds you well. On behalf of SRK Institute of Technology, Vijayawada, I am writing to extend a warm invitation to you to serve as a resource person for a guest lecture on **"How to plan for start-up and legal & ethical steps"** at our institution.

We have heard of your esteemed expertise in the field of research, innovation, and start-ups, and we believe that your insights and experience will greatly benefit our students. The lecture is scheduled to take place on 27-03-2024 in BLOCK-A, Seminar Hall, and we would be honored to have you as our esteemed guest.

The objective of the lecture is to inspire and educate our students about the importance of research, innovation, startup and entrepreneurship in today's dynamic world. We are particularly interested in learning about funding proposals and strategies for launching successful start-ups, areas where we understand you have valuable experience.

Your valuable contributions and knowledge-sharing will undoubtedly leave a lasting impact on our students, motivating them to pursue excellence in their academic and entrepreneurial endeavors.

If you are available and willing to participate, kindly confirm your availability at your earliest convenience. Additionally, please let us know if there are any specific topics or areas of focus you would like to address during the lecture.

We are flexible with scheduling and can accommodate any preferences you may have. Furthermore, we will take care of all necessary arrangements, including travel arrangements and accommodation, if required.

Thank you for considering our invitation. We look forward to the possibility of welcoming you to our campus and benefiting from your expertise.

Warm regards,

Program Report

Date: 30-03-24

Session on "How to Plan for Start-up with Legal and Ethical Steps"!

In order to encourage the students towards Innovation and Entrepreneurship, IIC (Institution's Innovation Council) of SRK Institute of Technology organized a Session on "How to Plan for Start-up with Legal and Ethical Steps" on 27th Mar 2024 from 2:00 pm at second floor seminar hall Block A.

The program began with welcome note by Ms. Dr. P. Kishore Kumar President of IIC (Institution's Innovation Council) of the Program, welcomed all the delegates and resource person Dr. Venkatesh Kondaveti, associate and dean R&D, Ramachandra College of Engineering, Eluru.

The objective of the session was to spread awareness about "How to plan for start-up with legal and ethical steps". Dr. Venkatesh Kondaveti, associate and dean R&D, was invited as resource person.

The program session explains the basics of startups, including its initiation, raising funds, legal and ethical aspects of startups. During the session, he gave a very informative insight to all attendees regarding the need to develop a right approach for setting up any startups. He emphasized upon the need to develop an entrepreneurial approach, necessary for the growth and success of any business and provided the platform to the students to ask questions which made the session highly interactive.

His session served as a motivation and encouragement for young students who are aiming to become successful entrepreneurs. The session was of great benefit for all the young innovators who are planning for their startup and business. The session boosted their motivation to the next level. The students asked questions during the program. The resource person gave the answer to the questions asked by the students.
