DEPARTMENT OF SCIENCE AND HUMANITIES

Enikepadu, Vijayawada - 521 108.

About the College:

Sri B. S. Appa Rao, an eminent educationist and senior industrialist with wide experience established SRK Foundation, in the year 2007 for providing quality and excellent education at international standards. The SRK Foundation is located at Enikepadu, Vijayawada on NH-5, towards Eluru.

The Department of Science and Humanities is a threshold for students entering into professional courses. It lays a strong foundation to the major engineering courses offered by the Institute. The department is a blend of many disciplines – English, Mathematics, Physics, Chemistry and Environmental Sciences. The courses offered by the department are English, Mathematics, Engineering Physics, Engineering Chemistry, Applied Physics, Applied Chemistry, Environmental Sciences and many more like Employability Skills, Constitution of India and Universal Human Values. The department has many experienced, research oriented faculty who actively publish papers in various National and International journals regularly. Apart from the academics, the department conducts many co- curricular and extracurricular activities for students.

Vision:

To inculcate in young minds the value based education with quality thereby creating better engineers to serve and lead the society.

Mission:

To acquire basic skills in sciences and humanities.

To develop creativity and an innovative attitude. To instill holistic personality.

About the Event:

Modern research begins with a robust planning phase. Researchers now use advanced tools such as bibliometric analysis and AI-driven literature reviews to identify research gaps effectively. Methodology development emphasizes transparency and reproducibility, often supported by open science practices.

Writing a compelling paper requires clarity, coherence, and adherence to journal-specific guidelines. In the 21st century, ethical compliance has gained prominence. This includes rigorous plagiarism checks, data sharing policies, and adherence to guidelines for authorship and acknowledgments.

As a part we are conducting a one-day Faculty Development Program online on 09-05-2024.

10. References:

If applicable, cite relevant sources, references, or previous studies that informed the choice of methodology or influenced the design and conduct of the research.

Remember to write the methodology section in a clear, concise, and systematic manner, providing sufficient detail for readers to understand how the study was conducted and how the data were analyzed.

It's also essential to maintain consistency with the overall structure and format of the research paper.
