GUSTOVALLEY TECHNOVATIONS LLP

About the Company

Gustovalley Technovations is the brain child of young talents who has deep interest in continuous innovation in Electronics and Embedded systems, offers automation and AI solutions in Home, Industries and Agriculture. The company has a firm belief on the saying "*Knowledge expands with Sharing of Ideas*". The belief has created a trust for the inception of training on Embedded systems, IOT, AI, Cloud computing, Data Science, Image Processing, Android, Robotics, PLC, AR, VR, CAD etc

Industry 4.0 Status Quo and Future trend

We're in the midst of a significant transformation regarding the way we produce products thanks to the digitization of manufacturing. This transition is so compelling that it is being called Industry 4.0 to represent the fourth revolution that has occurred in manufacturing. From the first industrial revolution (mechanization through water and steam power) to the mass production and assembly lines using electricity in the second, the fourth industrial revolution will take what was started in the third with the adoption of computers and automation and enhance it with smart and autonomous systems fueled by data and machine learning.

The technologies of Industry 4.0 includes Integrated System, IOT, Data Management, Cloud Computing, Cyber security, Artificial Intelligence, Additive Manufacturing, Augmented Reality.

As the adoption of Industry 4.0 is increasing day by day across various industries, the scope for the skill sets will be enormous for the driving technologies of Industry 4.0

ThoughtWorks®

26th April 2021

Dear Pranathi,

Congratulations! We are delighted to inform you that you have been accepted for 12 week-long free remote training Program run by FACE along with ThoughtWorks.

Over the last few weeks, nearly two thousand students across India had applied for the fifteen places on offer. Faced with many more talented and highly qualified candidates than it has room to admit, our expert panel has taken great care to choose individuals who present extraordinary academy, and personal strengths. In making each admission decision, our panel keeps in mind that the excellence of our organization depends most of all on the talent and promise of the trainees assembled here. In voting to offer you admission, the committee has demonstrated its firm belief that you can make important contributions during the course of the training program.

At the end of a training program, ThoughtWorks will extend an internship offer to you and subsequently a full-time role. The internship and the full-time offer are subject to you clearing the benchmarks set by ThoughtWorks and your performance during the course of the training program and internship.

The training program will commence on 24th May 2021. You have 48hrs to respond to our offer. Further details along with joining formalities will be mailed to you by FACE.

By accepting this letter of admission to participate in the training program, you agree to the following terms and conditions:

1. The candidate is expected to join the training program on 24th May 2021 and during the training program the candidate is expected to devote his/her whole-time, attention, and skill to the best of his/her abilities.
2. The candidate is expected to correspond with the mentors/trainers from FACE or other personnel, authorized by ThoughtWorks, promptly, to perform and submit all the tasks assigned to him/her diligently and be available completely during the working hours as stipulated by ThoughtWorks.
3. During the training program, the candidate is expected to conduct himself/herself with the utmost professionalism in dealing with his/her mentor, trainers, team members, colleagues, & clients and treat everyone with due respect.
4. During the course of the training program, the candidate shall not be engaged directly or indirectly or in any capacity in any other organization. In the event of the breach of this condition, the candidate will no longer be allowed to continue in the training program.
5. ThoughtWorks reserves the right to rescind the letter of admission to the training program or terminate you from the training program at any point without prior notice if the candidate fails to meet the expectations of the company or if ThoughtWorks has reason to believe that the candidate is guilty of misconduct or negligence.

6. The candidate will be eligible for a stipend of INR 20,000 per month during the internship period.

Note: The Internship/Final employment offer is subject to your successful completion of all the curricular requirements as laid down in the 12 weeks program run by FACE.

7. The candidate will be considered for the role of a Graduate Developer at the end of the internship. Post conversion to a full-time employee, the candidate will be eligible for a CTC between 7.5 to 8LPA and associated benefits.

Note: ThoughtWorks reserves the right to change the CTC offered for full-time employment based on the performance of the candidate during the course of the training program and the internship.

8. The candidate reserves the right to accept or decline the internship offer and the subsequent full-time employment offer made by ThoughtWorks.

9. The candidate must always maintain the highest degree of confidentiality and keep as confidential the records, documents and other information relating to the operation and business of the company which may be known to you or confided in you by any means. The candidate can only use such records or information in a duly authorized manner in the interest of the company.

For the purposes of this clause, confidential information may refer to information about the company's business and that of its clients which are not available to the general public and that which the candidate may come across during the course of engagement with the company.

10. If the candidate is guilty of breaching any terms and conditions in this document then he/she may not be allowed to continue or participate in the training program.

If you are happy with the proposed terms and conditions and wish to participate in this program then please sign this document.

Your admission will be confirmed after verification of documents and completion of on-boarding formalities. If you fail to respond to this by 48 hrs of sending this letter, then the offer will be rescinded.

We hope that you will decide to attend the training program and we look forward to you joining us in.

Respected Sir/Madam,

Greetings from SRK Group of Institutions.

1. SRK INSTITUTE OF TECHNOLOGY .
2. VIJAYA INSTITUTE OF TECHNOLOGY FOR WOMEN.

SRK INSTITUTE OF TECHNOLOGY (SRK), recognized by AICTE, New Delhi, affiliated to Jawaharlal Nehru Technological University, Kakinada, has set for itself the mission to churn out professional deft, academically bright and socially responsible individuals to contribute its wee bit to the knowledge society. The college is situated in a spacious 16 acres of land in an idyllic rural setting. Despite being a college with 9 years of academic standing, the college is making rapid strides in establishing good practices in teaching-learning processes.

You are welcome to SRK Institute Of Technology. Though a late starter, the Institution has emerged into a front-runner in the field of technical education. It has become a preferred destination for merit students and career-conscious faculty. In a short span of 9 years, it has discovered itself into an engineering institute, par-excellence.

SRK Institute of Technology, located in Vijayawada in the heart of Andhra Pradesh Capital Region Suburbs, is one of the pioneering professional institutes affiliated to JNTU Kakinada. Since its inception in 2007, SRKIT has been dedicated to impart quality education to professional students and to prepare students for innovations and leadership in a global competitive village.

Being a relatively young institution we had the privilege of hosting pooled campus recruitment by industry majors such as TCS, INFOSYS, NTTDATA, OPENTEXT, MINDTREE, ADP, SYNTELL, GLENWOOD SYSTEMS, FSS, KRDS-FACEBOOK, MPHASYS, CYBAGE, CNSI, CADSYS INDIA, CADEPLOY, POWER MECH, BROADCOM. Our intent in sending this mail is to only bring to your kind notice that our institution though young is making rapid strides in training students to be industry ready once they embark upon their career path.

We trust you will find our track record inline with your requirements to be an approved college for conducting campus recruitment. Given an opportunity for conducting recruitment drive we are sure that you will find quality and industry ready resources.

I strongly believe that our profile and vision of providing skilled youth to the nation in inline with your objective of honouring the skill. We invite you to conduct a Recruitment Drive in our Campus on 23/12/2020. Looking forward for a mutually impacting association. Hoping for a positive reply from your side.

SRKIT FACTS AT A GLANCE

BENNETT
UNIVERSITY
TRUSTEES OF INDIAN GROUP

Date : 21-04-2018

Dear Dr. M. Ekambaram Naidu
Principal
SRK Institute of Technology, Vijaywada
Andhra Pradesh, India

It is my pleasure to inform that Royal Academy of Engineering, UK has sanctioned a project titled "Making Deep Learning and AI skills mainstream in India to fulfil trilateral needs of entrepreneurship, Industry-academia partnership and application-inspired Engineering Research" worth £ 3,39,000 GBP. The project start date is 02 April, 2018 and end date is 30 April, 2020.

University College London and Brunel University are our UK partners. NVIDIA, Videoken, Edvantics and AWS Educate unit of Amazon are our Industry Partners.

As per the project structure there are Zonal Partners spread across different states of India, who will be lead institution for 10 more institutions in their surrounding geographical area. As part of this Initiative a five member research group on AI will be established with planned and defined outcomes.

We appreciate the letter of support given by your institution. The obligations and benefits of each Zonal partner are being circulated in a separate sheet.

This document notifies your institution as a Zonal Partner and Dr. D. Haritha as Lead Contact from your institution.

Any change in Lead Contact should be duly informed. Any defaulting behaviour on key aspects of the projects may lead to the cancellation of Zonal Partner status.

We are continuously trying to further upscale the project in terms of funding, partners and resources. Your continuous involvement will be key to making this project as a key milestone in Artificial Intelligence Revolution in India and also enable your institution to excel.

With sincere regards
