## REPORT OF INDUSTRIAL VISIT TO VIZAG

**DATE: 31/12/2019**

**Place of visit:** Vizag Steel Plant, Andhra Pradesh.

**Dates of visit:** 27/12/2019 to 29/12/2019

**Duration:** Three Days

**Number of Students:** 33

**Faculty Coordinators:**

- Mr. M. Karthik, Asst. Prof.
- Mrs. A. Krishna Priya, Asst. Prof.

### OBJECTIVES OF VISIT

- For students pursuing professional education, industrial visits help them gain hands-on experience of how industry operations are executed.
- Industry visits bridge the gap between theoretical training and practical learning in a real-life environment.
- Industry visits provide opportunity for active/interactive learning experiences in-class as well outside the classroom environment.
- With industry visits, students are able to better identify their prospective areas of work in the overall organizational function.
- Industry visits help enhance interpersonal skills and communication techniques.
- Students become more aware of industry practices and regulations during industry visits.

### OUTCOMES OF VISIT

- This enables the student to acquire knowledge
- practical experience
- Industry visits broaden the outlook of students with exposure to different workforces from different industries.

### DAYWISE SCHEDULE OF VISIT

On 26/12/19 all the students and staff have gathered near our college around 9.00PM, journey started from Vijayawada by shiva tours and travels. Around 10.30AM we reached Vishakhapatnam.

**DAY-1:** On 27/12/19, around 11.30 AM we started to Vishakhapatnam steel plant. As it was a hectic day and our chief minister DR.YS JAGAN MOHN READDY visited Vishakhapatnam they denied to allow into the steel plant, on requesting they allowed to visit the steel plant museum. all the details of the steel plant, its process of manufacturing, its uses and construction details was explained by the staff over there and it was very helpful to the students to improve the practical knowledge for students, we also visited 40 stored building which is the major construction all over AP and stayed that night at the venue provided by the travels .

Dear Sir,

Sub: Request for plant visit of our Engineering students-Reg.

We would like to inform that SRK Foundation has sponsored Technical, Management, Pharmacy, etc institutions. We are also running Engineering, Pharmaceutical and Management colleges exclusively for women.

The curriculum of the university will help the students to acquire the theoretical knowledge. The theoretical inputs will be better understood by plant visit.

Against this background, we request you to accord permission for visit II & IV B.Tech EEE students of approximately 80 in number along with 3 faculty members to your plant when it is in operation. Our Faculty members will accompany the students and they will come in batches without causing disturbance to your factory functioning.

Please let us know the convenient date for accommodating our students during the second week of this month. A line of response in this regard is highly appreciated.

With Regards,

Yours faithfully

Dear Sir,

Sub: Request for DDK station visit of our Engineering Students-Reg.

.....

We Would like to inform that SRK Foundation has sponsored Technical, Management, Pharmacy, etc institutions. We are also running Engineering, Pharmaceutical and Management colleges exclusive for Women.

The curriculum of the university will help the students to acquire the theoretical knowledge. The theoretical inputs will be better understood by station visit.

Against this background, we request you to accord permission for visit II/IV B.Tech. ECE students of approximately 80 in number along with 4 faculty members to your DDK station. Our Faculty members will accompany the students and they will come in batches without causing disturbance to your station functioning.

Please let us know the convenient date for accommodating our students during the second Week of this month. A line of response in this regard is highly appreciated.

With Regards,

Yours faithfully
