Mustabad  
Gannavaram 521107 IND

Dear Veena Madhur Yeruva,  
Congratulations from the University of Houston-Clear Lake. You have been accepted into the Master of Science in Computer Science degree program in the School of Science and Computer Engineering. If you cannot attend this semester, your acceptance is valid for one calendar year. We look forward to welcoming you as a member of the UHCL community.

**Faculty Advisor**

Your assigned SCE faculty advisor is Dr. Perkins-Hall, whom you can contact at perkins@uhcl.edu. You will receive an email to your UHCL email address approximately 8 weeks into your first semester confirming that it is time to meet with your faculty advisor about your draft degree plan (which we call a CPS) and select electives. Your draft CPS will not be ready until then, unless you are emailed otherwise. You will enroll in your first semester before formally meeting with your faculty advisor, but you can contact him/her if you still need help selecting first semester classes after carefully reviewing the information below and on your department's website. If you contact your faculty advisor, please scan and attach a copy of this acceptance letter so that he or she can identify you and your individual situation.

**Registration**

You are notified by admissions when you are eligible to register for classes. Registration is entirely online. To register, log in to E-Services through <http://www.uhcl.edu/eservices>. Register as soon you are eligible to ensure the best selection of classes. Please visit <http://www.uhcl.edu/sce/sosc> for information on the degree requirements for your major, course offerings, and other helpful information. Register for any foundation classes you have been assigned (listed below if assigned), and for core classes. If you need to register for electives and your plan does not list specific elective choices, be sure to check with your faculty advisor (by e-mail or when you come to campus) to confirm the elective choices you select are suitable. If you do not find the help you need online to select your initial classes, contact your faculty advisor before classes start. If you have registered and paid by the Open Registration deadline, you can change your class selection without penalty, if necessary, during the first week of class only. After that, changes are not allowed.

**Unconditional Acceptance:** Your preparation classes are complete and no foundation courses are assigned.

**Scientific Writing:** Because of your low GRE English skills score, you are assigned a mandatory writing skills class. This class should be taken your first semester of enrollment. It will not be waived and is assigned in addition to your other degree requirements. It is required for your graduation. Computer or Engineering related majors take CSCI 5035 Scientific Writing. Biotech or Biology majors take BIOT 5035 Scientific Writing. If these are not offered, take WRIT 3315 Technical Writing. The writing class is in addition to all other requirements and cannot satisfy elective requirements for any major

We are pleased you have chosen UHCL, and we look forward to seeing you succeed during your time here.

Dear Sai Gowtham,

**Congratulations!**

On behalf of the Graduate Admission office at Marist College, I am pleased to inform you that you have been accepted as a matriculated student in the MS in Computer Science-Software Development program for the Spring 2016 semester.

It is also my pleasure to inform you that based on your past academic achievement, you have been awarded a Marist College Tuition Scholarship for \$625 per semester, with a maximum of \$2500 during your two years of graduate study. Continuance of your scholarship beyond the first year will be contingent upon maintaining a cumulative grade point average of 3.0 or above.

Please see the attached form for IMPORTANT INFORMATION, including your ENROLLMENT CONDITIONS.

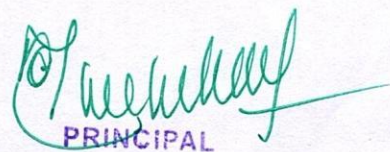

I am confident that your experience at Marist will be both exciting and rewarding and I wish you great success in your academic endeavors. If you have any questions, do not hesitate to contact the Office of Graduate Admission at 1-888-877-7900 or email [esis.graduate@marist.edu](mailto:esis.graduate@marist.edu).

Sincerely,

Kelly Holmes

Dear Mr. Khambhampati,

Thank you for applying for graduate school in the School of Computing at the University of South Alabama. After reviewing your application and qualifications, we would like to inform you that you have been awarded a USA Book Scholarship in the amount of \$1,000.

Scholarship Disbursement:

The award will be distributed as follows:

- \$1,000 at the beginning of fall semester, 2015

Stipulations:

- 1) You must declare and pursue a Computer Science degree in the School of Computing at USA
- 2) Enrolled courses must apply towards a degree in SoC.

Expectations:

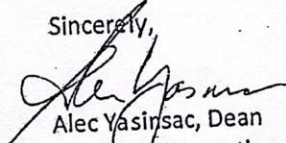

By accepting this award, you will be expected to:

- 1) Provide 5 to 7 hours of support work per week to the School of Computing for fall semester 2015
- 2) Attend the Spring Celebration Ceremony which will be held in April, 2016 to be recognized as a scholarship recipient.

This scholarship is being awarded to help you begin your course work in the School of Computing. At the end of your first semester of classes, you may apply for other financial awards and/or positions including additional scholarships, lab assistantships, and graduate assistantships.

If you would like to accept this award or have questions concerning it, please email Melissa Smith at mesmith@southalabama.edu or contact me by phone at 251-460-6390.

Sincerely,

  
Alec Yasinsac, Dean
