CIRCULAR

Communication is a very important component of the teaching profession. Without it, it would be impossible to teach or learn. We are happy to announce that there will be a Six Day Faculty Development programme by Dr A. Padmaja, Mrs. G. Maithreyi and Mr. D.Anand on **"Enhancing classroom communication"** organized by the Department of S&H from 24 June to 29 June 2019 at Ground Floor Seminar Hall. All the faculty members are instructed to attend it without fail. The FDP will be conducted from 9:30 A.M to 1:00 P.M on all days

For Further details contact S&H Department.

ONE WEEK FACULTY DEVELOPMENT PROGRAMME

on

"ENHANCED CLASSROOM COMMUNICATION"
24th JUNE2019 - 29th JUNE2019

Organized By :

SRK INSTITUTE OF TECHNOLOGY
VIJAYAWADA

Department of English

SRK INSTITUTE OF TECHNOLOGY
Enikepadu, Vijayawada - 521108
Andhra Pradesh.   Ph. No.: 0866 284 3839

ABOUT THE INSTITUTION

SRK Institute of Technology is a professional college affiliated to JNTU, Kakinada, offering engineering undergraduate courses In CE, CSE, EEE, ECE, IT, ME, post graduate courses in ECE, CSE, Computer Applications and Business Administation. It was established in 2007 under the aegis of SRK Foundation.

ABOUT THE DEPARTMENT

The Department of English, a part of Sciences and Humanities dept., trains the students in communication and soft skills in general and campus recruitment in particular.

The Department also motivates the students to take an active part in co-curricular and extra-curricular activities held on and off the campus.

OBJECTIVE OF THE PROGRAMME :

In the current educational scenario, students from many walks of life enter the campus with many aspirations. Some students may come from a very remote background and some might come from well educated families. The teacher in a classroom has to strike a fine balance so as to make all the students feel inclusive. Therefore, it is imperative for a teacher to learn fine nuances of ways to deal each and every student with respect and encourage all to be active participant in classroom proceedings. The FDP is conducted to offer such an insight to teachers, especially those who are new to the profession.

THE RESOURCE PERSONS

Dr. A. Padmaja,
Assoc.Professor in English
The Head, Department of
Humanites and Sciences

Ms.G.Maithreyi
Asst.Professor in English

Mr. D.Anand
Asst.Professor in English

Mr. Yellamanda Vusa
Asst.Professor in English

Session 1   24 June 2019
Resource person:
Ms. G.Maithreyi,
Asst.Professor in English
Topic : Bridging the Student–Teacher Divide for improved classroom participation and interaction

Session 2   25 June 2019
Resource person:
Mr. D.Anand,
Asst.Professor in English
Topic: Non Verbal Communication as a Effective for Effective Teaching

Session 3   26 June 2019
Resource person:
Dr. A.Padmaja,
Assoc.Professor in English
Topic: LSRW Skills (Listening, Speaking, Reading, and Writing).

Session 4   27June2019
Resource person:
Dr. A.Padmaja,
Assoc.Professor in English
Topic: LSRW Skills (Listening, Speaking, Reading, and Writing).

Session 5   28 June 2019
Resource person:
Mr. V.Yellamanda,
Asst.Professor in English
Topic: How to make Effective Oral and Visual Presentations

Session 6   29 June 2019
Resource person:
Mr. V.Yellamanda,
Asst.Professor in English
Practice Session on Presentation Skill

PROGRAMME REPORT

NAME OF THE PROGRAMME: **Enhancing Class Room Communication**

START DATE   : 24-06-2019

END DATE   : 29-06-2019

TIMINGS   : 09.30AM to1.00PM

A Six Day course was conducted. The course content was designed to meet the needs of the teacher for establishing better rapport with students. The course included topics on Non Verbal Communication for Teachers, Teachers - Students Connect LSRW Skills (Listening, Speaking, Reading and Writing) How to make Effective Oral and Visual Presentations.

The Programme was useful to the staff as it gave them insights into how to enhance the communication.

Program Report

Date: 11-07-2019

Title of the Program:	A Two day faculty development program on **"Analysis of Structures using E-TABS Software"**
Resource person Details :	Dr. M.Ravindra Krishna, HoD & Professor, KITS College, Guntur. Ph.no.9440122374.
Duration :	2 days (08-07-2019 to 09-07-2019)
No. of Participants :	17
Description :	ETABS stands for Extended Three Dimensional Analysis of Building Systems. The main purpose of this software is to design multi-storeyed building in a systematic process. The effective design and construction of an earthquake resistant structures have great importance all over the world. This fdp presents multi-storeyed residential building analysed and designed with lateral loading effect of earthquake using ETABS. This is designed as per INDIAN CODES- IS 1893-part2:2002, IS 456:2000.

Every structural engineer should design a building with most efficient planning and also be economical. They should ensure that it is serviceable, habitable in healthy environment for its occupants and have longer design period. Structurally strong and aesthetically pleasing building are being constructed by combining the best properties of any construction material and at the same time meeting specific requirements like type of building and its loads, soil condition, time, flexibility and economy. In the view of above, the high rise buildings are best right solution. This discusses the analysis of a commercial building (G+1) under effect of Seismic forces. Shear forces and bending moments of beams and columns are observed and

concluded that larger span have more shear forces and bending moment.

ETABS is a sophisticated, yet easy to use, special purpose analysis and design program developed specifically for building system. ETABS version 9.0 features an intuitive and powerful graphical interface coupled with unmatched modelling, analytical, and design procedures, all integrated using a common database. Although quick and easy for simple structures, ETABS can also handle the largest and most complex building models, including a wide range of nonlinear behaviors, making it tool of choice for structural engineers in the building industry.
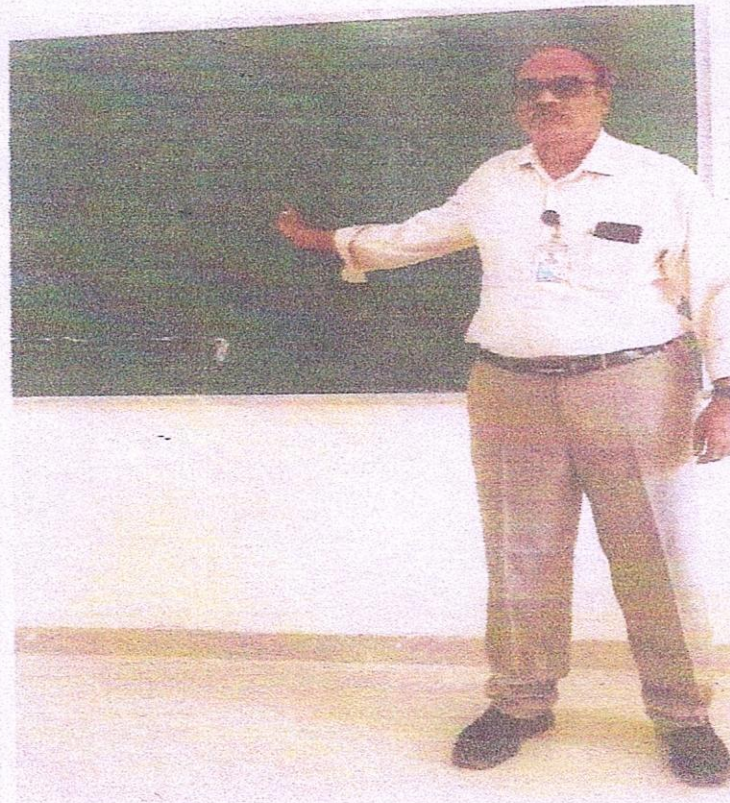

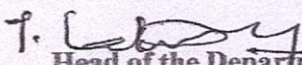

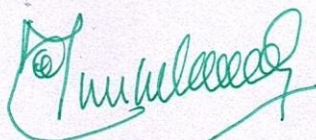

Course Objectives:

1. How to create models in less time and interpret the results while working with the physical member based objects.
2. Applicable to line objects and the program determines the appropriate design procedure when the analysis is run.

Course Outcomes:

1. Faculty will be easily create models using objects and can understand the concepts when editing and creating complex models.
2. Faculty will be able to recognize story levels and be able to input building data in a logical and easy manner.

PROGRAM REPORT

Title: Building Brand Strategies

Category: Faculty Development Program

Date: 23rd & 24th Sept 2019

No. of Resource Persons: 1

No. of Participants: 32

Organizers: Department of Business Administration

Resource Person: Mrs G Madhusri, Assistant Professor, Vijaya Instittute of Technology for Women

Contact No: 9989713626

A Faculty Development Program was organized for two days on 23rd & 24th Sept 2019. Day 1 program began with a prayer by the faculty of business administration Department Mrs. Anitha Bhimavarapu, followed by Welcome address By the principal Dr M. Ekambaram Naidu and FDP dynamics were presented by Dr.N Subramanyam, Head, Department of business administration.

The introduction to the speaker was given by Mrs. G.Srilalitha, Assistant Professor, Department of business administration. In the first & second session of Day-1 the speaker covered the topics such as Brand Building, How to Convert a Business into Brand, Developing a Voice for your Organization, Forms of Brand Voices etc.

On the second day of the program the speaker introduced the concepts such as Partnering with other Brands with Examples, types of Brand Partnering she also focussed on Building and optimising Brand signals, building marketing Tool kit and she explained in detail about how to develop content marketing strategy.

PRINCIPAL
SRK Institute of Technology
ENIKEPADU, VIJAYAWADA-521 108

The session ended by resolving the queries of participants by the speaker. A few participants enthusiastically gave their feedback explaining about how this program helped them in enhancing their knowledge in brand Building. The speaker gave suggestions to adopt the optimum brand strategy as per the nature of product or service in which you are dealing with.

The program ended with Vote of Thanks proposed by Ms. M Indraja, Assistant Professor, Department of Business Administration. On the whole the program was well appreciated by the participants.

ABOUT THE INSTITUTION

SRK Institute of Technology is a professional college affiliated to JNTUK, Kakinada, offering Engineering Undergraduate courses in CE,CSE, ECE, EEE, IT,ME, and Post Graduate courses in ECE & CSE, Masters in Business Administration and Masters in Computer Applications. It was established in the year 2007 under the aegis of SRK Foundation. The members of the foundation include renowned academicians, eminent educationalists and industrialists. The college is fully equipped with all infrastructural facilities and has well equipped faculty with experience. SRKIT is located in the historic city of Vijayawada on the banks of the Krishna River in the coastal area of Andhra Pradesh. The city is a large commercial centre and famous for Goddess KanakaDurga temple on the Indrakiladri hills. Vijayawada is also known as educational hub in the state of Andhra Pradesh. The city is well connected by road, rail and air. The Railway station, Bus Stand and Airport area with a distance of 10 KM each from the college

ABOUT TEACHING LEARNING CENTRE

Teaching Learning Center of SRK Institute of Technology is established in 2019 with an objective of enhancing the Institution's mission of teaching and learning excellence. The center aims to provide advanced instructional technologies to modernize teaching styles and focus on scholarly teaching. Major priorities include encouraging innovative research and scholarly publications on teaching and learning, collaborating with campus constituents to assess programs, tools and services that support their teaching and learning needs and contributing to the development of policies, initiatives and campus-wide culture that supports excellence in teaching.

OBJECTIVE OF THE PROGRAMME

"Teaching without Learning is just talking"
While teaching and learning seemingly look dichotomous, they are really intertwined collaborative aspects of a complex process of learning shaped by both teacher and student. Insights into learning process can be used to translate and propel teacher knowledge into effective teaching methodology, thereby, igniting active collaborative learning. Today, the digital world is fast penetrating the education and skills domain. The teachers need to acquire contemporary knowledge and new, innovative tools of teaching appropriate for the new generation of students. This workshop hopes to create a platform to discuss, practice and adapt effective teaching methodologies for student centric teaching and learning and assessment which is the essence of outcome based education.

RESOURCE PERSON

Dr. Claire F. Komives,
Professor of Chemical Engineering,
San Jose State University
IUCEE Expert

Board of Directors' Secretary
Indo-Universal Collaboration on Engineering Education (IUCEE).

Recipient of :
Van Lanen Award for Service
(ACS Biochemical Technology Division; 2013)

Noonan Award for Excellence in Teaching (2009)

BIOT Tank Award (both People's choice and judges awards) 255th ACS National Meeting 2018,New Orleans

DAY-1 Effective Teaching

- The role and management of key components of the instructional process.

DAY-2 Effective Teaching

- Create a vibrant classroom
- Design and deliver an effective lecture to ensure student engagement and motivation.

DAY-3 Effective Teaching

- Create a course website
- Create rubrics to provide transparent and constructive feedback

DAY-4 Outcomes-Based education

- Develop a list of measurable course outcomes
- Measure student learning through direct and indirect assessment
- Develop and implement a program assessment cycle

DAY-5. Teaching students professional skills throughout the curriculum

- Teach oral communication skills
- Teach team skills
- Assess professional skills
- Provide opportunities for creativity

PROGRAM REPORT

Name of the program: Faculty Development Program on Effective Teaching and Learning

Date: 14-10-2019 to 18-10-2019

Timings: 9.30 A.M – 5.00 P.M

One-Week Faculty Development Program on "Effective Teaching and Learning" was conducted at SRKIT from14th to 18th October, 2019. There were **8 external participants** from VITW, Enikepadu and around **36 internal participants** from SRKIT, Enikepadu. The program was enriching and intellectually stimulating for the participating faculty.

Prof. Dr D. Haritha, (FDP convener), Head of Department CSE, SRKIT in her welcome speech briefed about the teaching and learning practices being implemented in the institution till date. She outlined the objectives of TLC Center, SRKIT being inaugurated and introduced the Committee Members of the TLC Center.

In welcome speech, Hon. Principal Dr. M. Ekambaram Naidu shared his views with the faculty participants that if faculty wants to develop themselves and their students, then attending such faculty development programs would enhance their skills of teaching concepts practically. Sir further shared that it helps to improve the performance of faculty in teaching and highlighted the importance and objectives of organizing faculty development programs. He briefed the participants about the subjects chosen for the FDP and highlighted the reasons and importance of the same.

Clarie Komives emphasized on the insights of learning process that can be used to translate and propel teaching methodology. **Clarie** also mentioned that teachers need to acquire contemporary knowledge and new innovative tools of teaching which are appropriate for the new generation of students. **Clarie** stated that this FDP hopes to create a platform to discuss, practice and adapt effective teaching methodologies for Student centric teaching and learning and assessment.

Department of Computer Science and Engineering

After addressing the Participants **Clarie** started off the first session by discussing about the role and management of key components of the instructional process. **Clarie** also analyzed the learning process of the Students. The employability needs of the Students were also addressed by **Clarie**.

The Second Day of the Program included talks on creating a vibrant Classroom and promoting Active Learning. **Clarie** focused on delivering an effective Lecture in the Classroom to ensure student engagement and motivation. **Clarie** also gave ideas on controlling plagiarism.

The Third Day of the program started with the brief explanation of the Plan for the Day followed by the discussion on the fundamentals of Assessments and the designing of good questions for the assessment. A Practical Session on Rubrics created more interest among the participants and also helped the Participants to understand the concepts in an effective way. **Clarie** defined what excellence means in teaching and how one can excel in teaching.

The Fourth Day of the program included talks on incorporating formative assessment into courses to guide adaptive instruction and how we can evaluate student learning through direct and indirect assessment. **Clarie** focused on the Outcome-based Education and also discussed on how we can develop a list of measurable course outcomes.

On the last Day of the program **Clarie** explained about the effectiveness of Bloom's Taxonomy and how we can create opportunities for innovative thinking in technical course. **Clarie** gave importance on Students Professional Skills and explained how we can develop these skills in Students by inculcating communication skills subject in their Engineering Course.

Dr A. Padmaja, Professor, SRKIT, presented the Vote Of Thanks for the Program.

Manufacturing is heart of any mechanical product & implanting some techniques that can optimize the work even for a micro size is definitely a worthful knowledge to acquire. So, the department of Mechanical Engineering is organizing a Faculty Development Program on **"Micro Manufacturing Techniques"** from 21-10-2019 to 24-10-2019 at 10:00AM to 1PM in Dassault lab second floor. The Resource person for this session is Mr. D.Rognath Rao, Asst Professor, Mechanical Department, SRKIT. So all of you must attend this program without fail.

The Department of Mechanical Engineering has organized a 4 days faculty development program on "**Recent Advanced Techniques in Robotics**" from 21-10-2019 to 24-10-2019at our college. The main intension of the program is to provide knowledge in Micro Manufacturing Techniques & its Applications.The 4 days faculty development program was inaugurated by the following eminent personalities on 21-10-2019.

1. Mr.D. Rognatha Rao, Resource person & Asst Professor ME Department of SRK Institute of Technology, Enikepadu.
2. B.S. Appa Rao, Chairman, of SRK Institute of Technology
3. Dr. M. Ekambaram Naidu, Principal, of SRK Institute of Technology.

Mr. V. Bala China Lingam, Coordinator of the FDP welcomed all the dignitaries and participants. In the welcome speech, by D.Rognatha Rao, highlighted the objectives of the faculty development program and requested the participants to disseminate the knowledge gained in such type of programs to their students. The session is very interactive faculty had asked many questions to

Feedback on FDP by Participants:

- U. Tanoj, Asst. prof, ME department has shared his views about FDP. He said that the session was very interesting & Informative.

- R. Karun Kumar Asst. prof of ME department has shared his views about FDP. He is very happy and conveyed his thanks to the HOD & Management for organizing such a wonderful FDP. He feels that the FDP is helpful to enhance every individual's knowledge in FACTS towards Research oriented.

Objective: The objective of FDP to promote exchange of scientific information between Lectures and Research in Micro Manufacturing techniques.

Outcome: This FDP was very useful to Faculty members to nourish their teaching and Practical knowledge in Micro manufacturing techniques & its applications.

ABOUT THE INSTITUTION

SRK Institute of Technology is a professional college affiliated to JNTUK, Kakinada, offering engineering undergraduate courses in CE,CSE, ECE, EEE, IT, ME and post graduate courses M.Tech in ECE & CSE, MBA, MCA and IMBA. It was established in the year 2007 under the aegis of SRK Foundation. The members of the foundation include renowned academicians and industrialists. The college is fully established with all infrastructural facilities with well qualified and experienced faculty. Within a short period of its inception, the college has carved a niche among the already exiting popular colleges. Today, the institute is rated as one of the RISING STARS on the horizon.

ABOUT THE DEPARTMENT

The Department of Electronics and communication Engineering (ECE) was established in 2007. The department conducts both UG and PG programs with well experienced faculty in various disciplines of ECE. The department also hosts state-of-the-art laboratory facilities supporting both hardware and software in conformity with the curriculum and beyond. The department organizes Faculty Development, Programs frequently to enhance technical skills.

OBJECTIVE OF THE COURSE

The Main objective of the course is to provide basic knowledge on Java Programming and its applications with lab sessions using Java and also you can get knowledge on how to integrate Java with Oracle database and how to develop web applications. This programme will focus on practical aspects and include examples which relevant to the current industry requirements.

CO-ORDINATOR

Mr. B S S Tejesh,
Asst. Professor,
Department of Electronics and Communication Engineering.
SRK Institute of Technology.

WHO CAN ATTEND

Programme is open to Faculty members and Research scholars.

REGISTRATION FEE

Registration fee(Include Snacks and Lunch). Rs. 1000/- For Faculty and Research scholars ..

COURSE CONTENT

- ➢ Introduction to Java Programming
- ➢ Object Oriented Concepts
- ➢ Exception Handling
- ➢ IOStreams
- ➢ Multi Threading
- ➢ GUI Applications
- ➢ Collection Frame Work
- ➢ Java Data Base Connectivity
- ➢ Servlets
- ➢ Java Server Page (JSP)

Program Report

Date: 16-11-2019

Duration: 1 Week (09-11-2019 to 14-11-2019)

    The Departments of Electronics and Communication Engineering organized a One Week Faculty Development Program on **"Java Programming and it's Applications"** from 11-09-2015 to 12-09-2015. The Resource Person is Mr. Ch Siva Rajesh, Assistant Professor, SRK Institute of Technology, Vijayawada.

    The Program was held in two sessions, (Forenoon) 10.00 am to 12.00 pm and (Afternoon) 1.00 pm to 3.00 pm for one week.

Number of Participants: 28

On Day-1, Mr.Ch Siva Rajesh gives the very basic information on C language, after that he started introduction to Java Object Oriented Programming. He started with java features and after that he clearly explains data types, identifiers, reserved works and programming structure. After that Mr. Ch Siva Rajesh, clearly explained Object oriented concepts. They are Abstraction, Encapsulation, Inheritance and Polymorphism. In afternoon session he clearly explained about constructers, method overriding, inheritance and it's types.
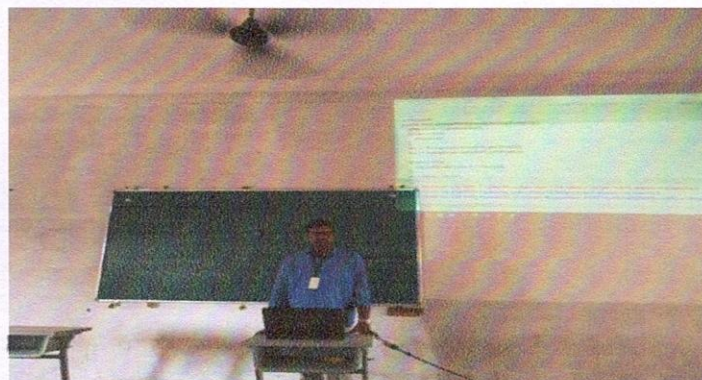

On Day-2, Mr. Ch Siva Rajesh, described about method overriding with examples, abstract classes and abstract methods and , how to create packages and sub packages, how to use packages and gives number of examples on packages. In afternoon session he clearly explained access specifies, how create a jar file and how to use a jar file in the program. Mr. Ch Siva Rajesh, clearly explained how to handle exceptions using try catch, throw, throws and finally blocks , after that he clearly explains multi threading, iostreams, java.awt and java.awt.event packages with examples. In afternoon session he clearly explains Collection Frame work with number of examples.

On Day-3, Mr. Ch Siva Rajesh, explained clearly on how to communicate with data base using JDBC(Java Data Base Connectivity). He clearly explained the basics steps to communicate with the database. After that he gave example to perform CRUD(Creation, Retreiving, Updation and Deletion) operations. In afternoon session he clearly explains the concepts of transaction, batch updates, how to store images and files into the data base, how to retrieve images and file from the database.

On Day-4, Mr. Ch Siva Rajesh, explained the web technology of Servlets. In that he explained very basic terms like what is web application, what is server, what is client. After that he clearly explained the life cycle of a Servlet. After that he gave number of examples on web application. In the afternoon session he explained the concepts of filters and cookies. After that he gave examples on event handling with servlets.

On Day-5, Mr. Ch Siva Rajesh, started with the web technology of JSP(Java Server Page). Here also he explained the basic terms, after that he explained the life cycle of a JSP. In the afternoon session he explained JSTL core libraries. After that he clearly explained the MVC design pattern and its examples.

On Day-6, Mr. Ch Siva Rajesh, explained java applications, they are banking application, shopping cart application, registration and login application. Internationalization.

PRINCIPAL
SRK Institute of Technology
ENIKEPADU, VIJAYAWADA-521 108.

Course Objectives:

1. Understanding the basic concepts of Object Oriented Programming
2. Understanding the concepts of abstraction, encapsulation, inheritance and packages.
3. Understanding the concepts of exception handling, muti threading and graphics.
4. Understanding how to communicate with database.
5. Understanding how to develop web applications using Servlets.
6. Understanding how to develop web applications using JSP.

Course Outcomes:

1. Understood the basic concepts of Object Oriented Programming
2. Understood the concepts of abstraction, encapsulation, inheritance and packages.
3. Understood the concepts of exception handling, muti threading, iostreams and graphics.
4. Understood how to communicate with database.
5. Understood how to develop web applications using Servlets.
6. Understood how to develop web applications using JSP.

SRK INSTITUTE OF TECHNOLOGY

An ISO 9001:2015 Certified Institution,
Affiliated to JNTUK, Kaninada,
NH-16, Enikepadu, Vijayawada,
Andhra Pradesh -521108 Ph. No.: 0866 284 3839

ABOUT THE INSTITUTION

SRK Institute of Technology was established in the year 2007 under JNTUK Affiliation. It is located in the heart of city of Rural Vijayawada, the new capital city of Andhra Pradesh. Since its inception in 2007, the institution has been dedicated to impart quality education to professional students for innovations and leadership in a global competitive world. The institution is offering engineering courses in CE, CSE, ECE, EEE, IT, M.E. and Post Graduate Courses M.Tech in CSE, ECE, MCA & MBA.

ABOUT THE DEPARTMENT

The Department of Information Technology established in 2007, shown constant pursuit of excellence. The department has a cohesive team of highly qualified, professionally competent, well recognized faculty. The Department endeavours to produce IT experts to full fill the requirement in IT sector.

The department has conducted workshops, guest lectures, techno-fests and training programs in association with various organizations like APSSDC, APITA , CISCO, etc.

OBJECTIVE OF THE COURSE

The Main objective of the course is to provide basic knowledge on Data Analytics, Statistical Analysis, Data Visualization with lab sessions using Python Programming and also you can get knowledge how to integrate Python with Hadoop, MapReduce and Spark. This programme will focus on practical aspects and include examples which relevant to the current industry requirements.

Programme Report

Name of the Program: A One Week Faculty Development Programme on "Data Analytics With Python Programming"

Date/Duration: 11-11-2019 to 16-11-2019, 09.30 am to 05.00 pm

Resource Person: T . Venkata Aravind ,Program Manager , AMD Pvt Ltd , Hyderabad.

Name of the Coordinator: Mr. GDK.Kishore, Assistant Professor, SRKIT.

Number of Participants: 11

The Department of Information technology has organized a One Week Faculty Development Programme on **"Data Analytics with Python Programming"**.
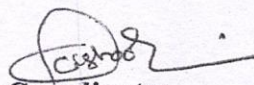

In this FDP the resource person T Venkata Aravind , Program Manager , AMD Pvt Ltd , Hyderabad. The Main objective of the course is to provide basic knowledge on Data Analytics, Statistical Analysis, Data Visualization with lab sessions using Python Programming and also you can get knowledge how to integrate Python with Hadoop, MapReduce and Spark. This programme will focus on practical aspects and include examples which relevant to the current industry requirements.
B.S Appa Rao Garu, Chairman, SRK Institute of Technology, said that student has to learn advanced technologies to improve their career opportunities.

B.Sree Krishna Secretary, SRKIT has seen the applications developed by the students. In this FDP Faculty of the SRKI participated.
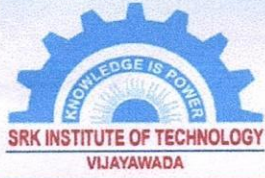

OBJECTIVE OF THE PROGRAM: To understand the statistics and Python programming, this will help the participants to carry out various analytical studies.

OUTCOME OF THE PROGRAM: Identifying the phases in Data Analysis, Usage of Python libraries like NumPy, Pandas, SciPy.

SRK INSTITUTE OF TECHNOLOGY
VIJAYAWADA

Organized by

Department of
Electrical and Electronics Engineering
SRK Institute of Technology,
Enikepadu, Vijayawada-521108

About the Institution:

SRK Institute of Technology is a professional college affiliated to JNTUK, Kakinada, offering engineering undergraduate courses in CE, CSE, ECE, EEE, IT, ME and post graduate courses M.Tech in ECE & CSE, MBA, MCA and IMBA. It was established in the year 2007 under the aegis of SRK Foundation. The members of the foundation include renowned academicians and industrialists. The college is fully established with all infrastructural facilities with well qualified and experienced faculty. Within a short period of its inception, the college has carved a niche among the already existing popular colleges.

About the Department

Department of Electrical & Electronics engineering is started in the year 2012 at present intake with 60. The department is heading with an objective to develop industry ready engineers while meeting local industry needs. The department is an integral part of SRK Institute of Technology, Vijayawada. Since inception the department has well experienced and committed faculty, who continuously strive for the benefit of the students and their career development. The strength of the department is its laboratory facilities besides good infrastructure. Department of EEE also has a dedicated Projects lab to carry project activities by the students and faculty. Faculties of the department continuously encourage /drive the students to involve in industrial visits, internships and also provide various training programs to enhance the technical skills of the students.

Objective of the FDP

The technical education industry has undergone substantial changes in the last several decades. Researchers/Academicians serve as drivers of these changes when implementing new educational tactics, programs and policies. Industry interaction is the cornerstone to educational excellence. It is essential for professional education institutions in preparing their students to meet industry expectations and to become competent professionals in future. Researchers/ Academicians, being key elements in the education system are required to possess industry insights and to stay abreast of the changing industry practices to facilitate career orientation among the students.

This FDP aims to provide opportunities to Researchers/Academicians to enrich their technical knowledge in the field of Transformer. The Program also intends to develop the knowledge of participants for FACTS Controllers.

SCHEDULE

DAY: 1 (18/11/2019)

What is Flexible AC TRANSMISSION?

Compensation Techniques used in Power system

DAY: 2 (19/11/2019)

Types of FACTS Controllers

Overview of 10 FACTS Devices

DAY: 3 (20/11/2019)

Introduction to Transformers

Voltage regulating transformers

DAY: 4 (21/11/2019)

Two Winding Transformers

Phase Angle Regulator (PAR)

DAY: 5 (22/11/2019)

VSC-Based FACTS Controllers

Mechanically Switched FACTS Controllers

DAY: 6 (23/11/2019)

Application of Transformer based FACTS Controllers

Sen Transformer

CERTIFICATION

Certificates will be issued to participants who pay the Registration fee and attend the FDP on all days.

Program Report

Name of the Event: One week FDP on **"Transformer Based FACTS Controllers"**

Date / Duration: 18-11-2019 to 23-11-2019 from 09.00 AM to 04.00 PM

Resource Person: Dr B Loveswara Rao, Professor, KL University, Vaddeswaram

Phone No: 9866290922

Name of the Coordinator: Mr. S.Nageswara Rao, Assistant Professor, SRKIT

Number of Participants: 20

The Department of Electrical and Electronics Engineering has organized a one week Faculty Development Program on **"Transformer Based FACTS Controllers"** from 18-11-2019 to 23-11-2019 at our college. The main intension of the program is to provide knowledge in FACTS devices and their application in Transformers.

The one week Faculty Development Program was inaugurated by the following Eminent Personalities on 18-11-2019

1. B.S. Appa Rao ,Chairman, of SRK Institute of Technology
2. B.S. Sri Krishna ,Secretary, of SRK Institute of Technology
3. Dr B Loveswara Rao, Professor, KL University, Vaddeswaram
4. Dr. M. Ekambaram Naidu, Principal , of SRK Institute of Technology
5. Dr. S. Sri Gowri,Professor and HOD EEE of SRK Institute of Technology

Mr.S.Nageswara Rao, Coordinator of the FDP welcomed all the dignitaries and participants. In the welcome speech, Prof. B. Loveswara Rao, highlighted the objectives of the faculty development program and requested the participants to disseminate the knowledge gained in such type of programs to their students. The session is very interactive faculty had asked many questions to resource person to gain knowledge about the current applications in FACTS devices.

Department of IT

SRK INSTITUTE OF TECHNOLOGY

An ISO 9001:2015 Certified Institution,
Affiliated to JNTUK, Kaninada,
NH-16, Enikepadu, Vijayawada,
Andhra Pradesh -521108   Ph. No.: 0866 284 3839

ABOUT THE INSTITUTION

SRK Institute of Technology was established in the year 2007 under JNTUK Affiliation. It is located in the heart of city of Rural Vijayawada, the new capital city of Andhra Pradesh. Since its inception in 2007, the institution has been dedicated to impart quality education to professional students for innovations and leadership in a global competitive world. The institution is offering engineering courses in CE, CSE, ECE, EEE, IT, M.E. and Post Graduate Courses M.Tech in CSE, ECE, MCA & MBA.

ABOUT THE DEPARTMENT

The Department of Information Technology established in 2007, shown constant pursuit of excellence. The department has a cohesive team of highly qualified, professionally competent, well recognized faculty. The Department endeavours to produce IT experts to full fill the requirement in IT sector.

The department has conducted workshops, guest lectures, techno-fests and training programs in association with various organizations like APSSDC , APITA , CISCO, etc.

OBJECTIVE OF THE COURSE

The Main objective of the course is to provide basic knowledge on usage of computers. This programme will focus on practical aspects and include examples which relevant to the academics.

THE RESOURCE PERSONS

GDK Kishore , Asst Profesor
Amritha Mishra, Asst Profesor

WHO CAN ATTEND :

Programme is open to all Non Teaching Staff.

COURSE OUTCOME

- Introduction to Computer parts
- Connecting peripherals
- Usage of Internet
- Knowledge on MS-Word
- Spread Sheet
- PPT
- Google docs and forms

SRK INSTITUTE OF TECHNOLOGY

An ISO 9001:2015 Certified Institution,
Affiliated to JNTUK, Kaninada,
NH-16, Enikepadu, Vijayawada,
Andhra Pradesh -521108 Ph. No.: 0866 284 3839

ABOUT THE INSTITUTION

SRK Institute of Technology is a professional college affiliated to JNTUK, Kakinada, offering Engineering Undergraduate courses in CE,CSE, ECE, EEE, IT,ME, and Post Graduate courses in ECE & CSE, Masters in Business Administration and Masters in Computer Applications. It was established in the year 2007 under the aegis of SRK Foundation. The members of the foundation include renowned academicians, eminent educationalists and industrialists. The college is fully equipped with all infrastructural facilities, well qualified and experienced faculty.

SRKIT is located in the historic city of Vijayawada on the banks of the Krishna River in the coastal area of Andhra Pradesh. The city is a large commercial centre and famous for Goddess KanakaDurga temple on the Indrakiladri hills. Vijayawada is also known as educational hub in the state of Andhra Pradesh. The city is well connected by road, rail and air. The Railway station, Bus Stand and Airport area with a distance of 10 KM each from the college.

ABOUT APSSDC

Andhra Pradesh State Skill Development Corporation (APSSDC). APSSDC is a not-for-profit organization (Section-8 company) formed as a Public–Private Partnership (PPP) corporation to promote Skill Development & Entrepreneurship in the state of Andhra Pradesh. The corporation is incorporated as a with a 49% stake holding by Govt of AP and 51% private equity component. The Corporation serves as the 'Executive Agency' for the newly formed Department of Skill Development Entrepreneurship and Innovation.

APSSDC will also serve the important task of providing high quality skilled manpower as part of the 'Knowledge and Skills Mission' of GoAP, which is one of the cross-cutting missions among the seven missions formed by the Govt of AP to facilitate double digit growth of the state.

OBJECTIVE OF THE PROGRAM

Mobile Apps are becoming popular day by day. Today, Everyone owns a smartphone and the demand for Android Application is increasing day by day. The objective of this program is to impart Android Application Development training to faculty so they can upgrade their skills on Android. The program aims at equipping faculty with skills and knowledge that are essential for android application development. The program is aimed at learning Android OS based Application Development.

PROGRAM REPORT

Name of the Program: Faculty Development Program on Google Android

Application Development

Date: 23-12-2019 to 28-12-2019

Timings: 9.30 A.M – 5.00 P.M

One Week Faculty Development Program on "Google Android Application Development" was organized at SRKIT from 23th to 28th December, 2019. There were **10 external participants** from different colleges and institutes and **15 internal participants** from SRKIT, Enikepadu. A very beneficial academic environment was experienced by the participants during the program.

The dignitaries were welcomed by Dr N. Neelima Priyanka Assoc. Prof, CSE, SRKIT. The Chief Guest Dr B Nageswarrao inaugurated the Program with the Lamp Lightening ceremony. In welcome speech, the Chief Guest shared his views with the faculty participants that attending such faculty development programs would enhance their skills of teaching concepts practically. The program progressed with the inaugural lecture by the Resource Person **T. Pavan Kumar Reddy**, Senior Trainer at APSSDC. In his lecture he highlighted the programs organized by APSSDC and also gave insights on the program.

After briefing about the program **T. Pavan Kumar Reddy** started off the technical session with the introduction of Mobile App Development and also briefed on the history of Mobile Evolution and Android. He continued his discussion with the Architecture of Android and then delivered a practical session on installation of Android Studio and

Department of Computer Science and Engineering

Android Emulator and then explained about the connection of the physical device with the IDE.

The second Day of the program started with the practical session which included creation of the first application along with lab exercises, then creating a User Interactable App. This was followed by the discussion on the activity lifecycle. The Third Day of the program included talks on the User Interface Components, Buttons and Clickable Images, Input Controls. This was followed by the Practical session. This session gave hands-on experience to the participants and helped the participants to improvise their skills practically. The Fourth Day of the program started off with the discussion on menus and pickers. He briefed about the menu by quoting practical examples of menus. He also focused on the importance of menus. He also focused on using Material Design for User Interface and also emphasized on the user Interface and how it can be made effectively using Material Design.

On the Fifth Day of the program he included talks on the user navigation. The user navigation concepts viz. Navigation Drawer, Navigation Comments, Ancestral and Back Navigation and Lateral Navigation were briefed by **T. Pavan Kumar.** This was followed by the practical session on the user navigation. This helped the participants to understand about the user navigation effectively. He further discussed about the recyclerview and DiffUtil along with the JSON.

The last day of the program started off with the discussion of Broadcast Receivers followed by the Schedulers. **T. Pavan Kumar** focused on how to save the user data and also emphasized on the importance of saving user data.
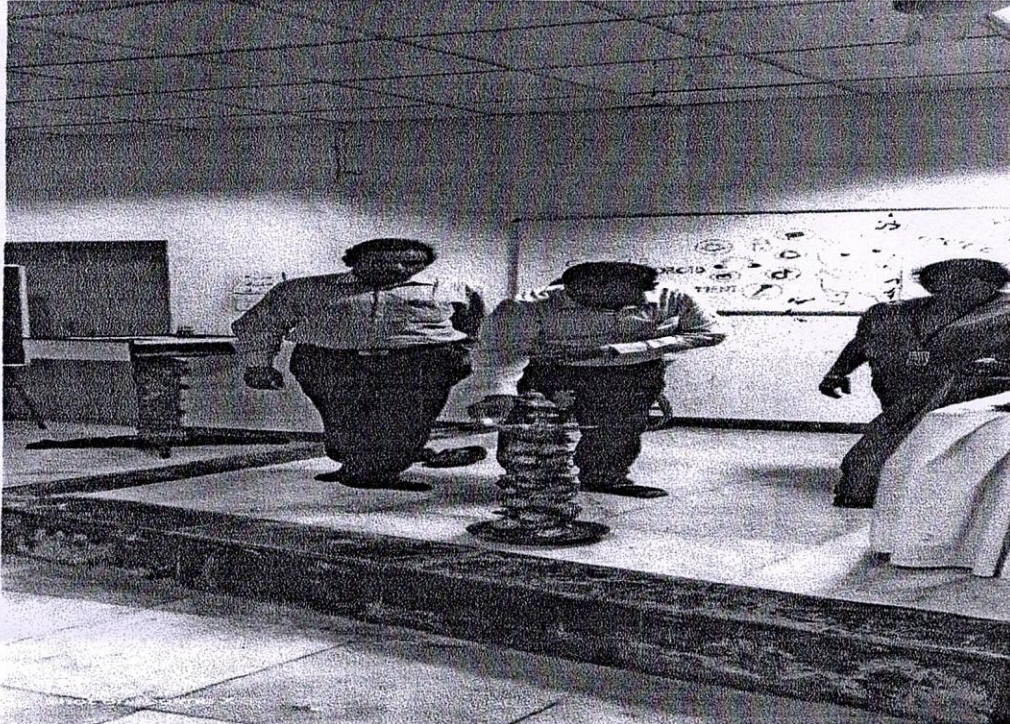

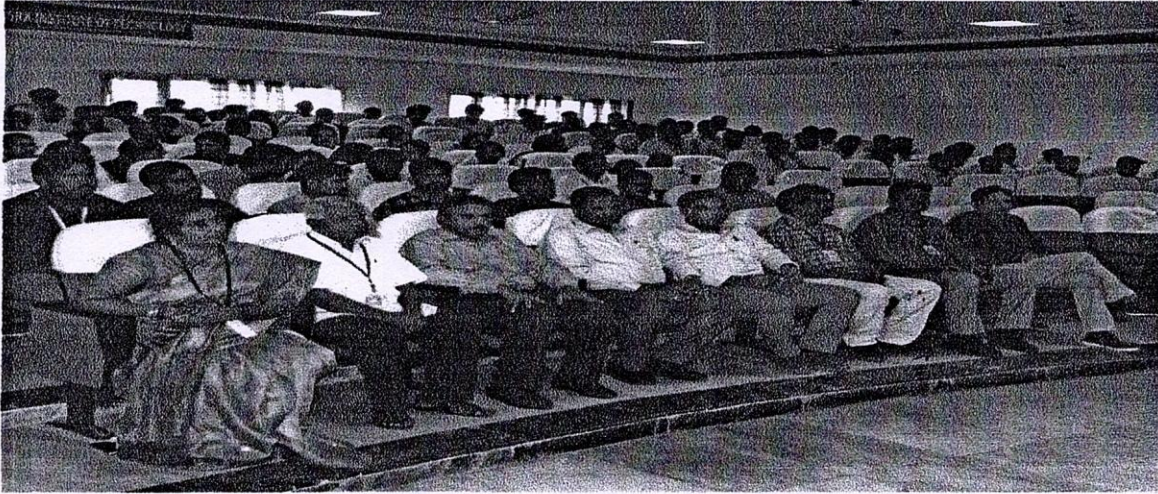

Dr N. Neelima Priyanka presented the Vote Of Thanks for the Program.

ABOUT THE INSTITUTION

SRK Institute of Technology is a professional college affiliated to JNTUK, Kakinada, offering Engineering Undergraduate courses in CE,CSE,ECE, EEE, IT,ME, and Post Graduate courses in ECE & CSE, Masters in Business Administration and Masters in Computer Applications. It was established in the year 2007 under the aegis of SRK Foundation. The members of the foundation include renowned academicians, eminent educationalists and industrialists. The college is fully equipped with all infrastructural facilities, well qualified and experienced faculty.

SRKIT is located in the historic city of Vijayawada on the banks of the Kri
shna River in the coastal area of Andhra Pradesh. The city is a large commercial centre and famous for Goddess Kanaka Durga temple on the Indrakiladri hills. Vijayawada is also known as educational hub in the state of Andhra Pradesh. The city is well connected by road, rail and air. The Railway station, Bus Stand and Airport area with a distance of 10 KM each from the college.

OBJECTIVE OF THE PROGRAMME

Basic coding skills, working with data types and variables, working with numeric data, working with string data. with case studies are the highlights of the FDP. The main objective of the FDP is to acquaint with different things like Birthday Paradox, Google Translate Speak in any Language, Monte Hall, with good concepts of Substitution Cipher, Sentiment Analysis and Gaming programming skills. IT covers how to develop games like Snakes and Ladders, Hide and Seek, Trump Cards.

**NAME OF THE PROGRAM:FDP ON DATA SCIENCE USING PYTHON PROGRAMMING**

DATE: 02-01-2020 to 10-01-2020

TIMINGS: 9:30 AM to 5:00 PM

One-Week Faculty Development Program on **"Data Science Using Python Programming"** was conducted at SRKIT 02-01-2020 to 10-01-2020. There were **27 participants** from SRKIT, Enikepadu.

In welcome speech, **Hon. Principal Dr. M. Ekambaram Naidu** shared his views with the faculty participants on Python Programming and also enlightened about the program. He further stated that such programs help the faculty to enhance their programming skills. This was followed by the briefing of the course by the resource person **S.Ram Kumar,** Asst. Manager, Educational Technology, ICT Academy. He also outlined the various programs organized by ICT Academy for Faculty and Students. He also focused on the python programming and its applications in Data Science. This was followed by a technical session on Spyder and its working. A demo session on Spyder was given followed by a practical session on Spyder.

The Second Day started off with the discussion on Script files, variable creation by **S. Ram Kumar**. The Arithmetic and logical operations were demonstrated with examples. The participants got familiarized with the Spyder environment and worked on the logical and Arithmetic operations. The Third Day of the program was all about data types in python explained by the resource person **J. Niranjani** Asst. Prof, MCA, SRKIT. This was followed by a detailed description on operations of Strings, Lists, Arrays, Tuples, Dictionary, Sets, Range. The practical session was followed and it helped the participants to understand about the various operations of data types.

The Fourth Day of the session included talks on Data frames and the Toyota Corolla Dataset by **J. Niranjani**. The resource person focused on Data frames and its importance in Data Science. The practical session was followed in which operations on dataset were demonstrated. The Fifth Day had discussion on matplotlib and sea born libraries by **S. Ram Kumar**. The resource person also discussed about the various plottings. The last day of the program included talks on the control structures using Toyota Corolla Dataset by **J. Niranjani**. She also emphasized on Regression using Python.

In the valedictory program organized after the training duration a few aspirants gave their feedback explain how the training session helped them in improving their coding skills and self-confidence.

The session concluded with the vote of thanks by Mrs M.Anitha Asst. Professor, MCA, Dept., SRKIT

Report

Administrative Training Program

Date: 27-01-2020

Duration: 1 Week (20-01-2020 to 25-01-2020)

The Department of Electronics and Communication Engineering organized a Six-Day Administrative Training Program on "**MS OFFICE**" from 20-01-2020 to 25-01-2020.The Resource Persons for the Session are **Ch Siva Rajesh,** Assistant Professor, SRK Institute of Technology and **B S S Tejesh,** Assistant Professor, SRK Institute of Technology.

On Day-1, Mr Ch Siva Rajesh, clearly explained about how to navigate the world 2010 interface ms word, after that he clearly explained how to open new documents and existing documents, after that he clearly explained how to open new documents and existing documents, after that he clearly explained how to use templates, after that he clearly explained Basic and advanced text, paragraph and document formatting and how to use Microsoft word for desktop publishing

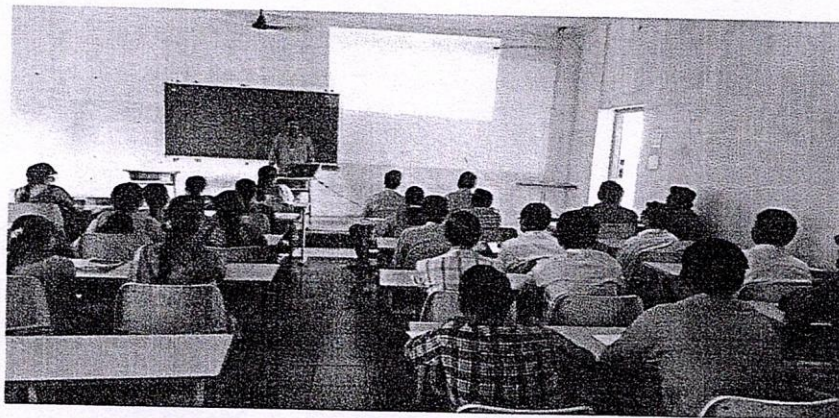

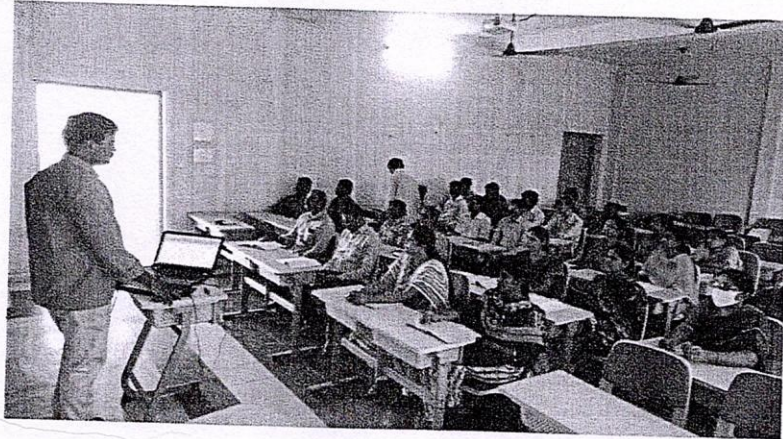

On Day-2, Mr Ch Siva Rajesh, clearly explained about how to use MS word as a photo editor, after that he , clearly explained about how to use MS word as a photo editor, after that he , clearly explained about How to solve mathematical equations using word, after that he , clearly explained about How to install apps to use with word, after that he clearly explained how to
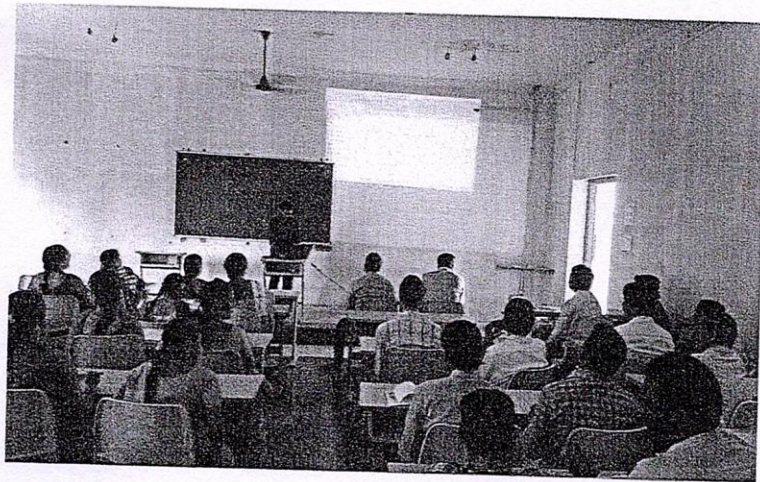

PRINCIPAL
SRK Institute of Technology
ENIKEPADU, VIJAYAWADA-521 108.

insert images, graphics and video and How to create impressive tables than ever before using formatting tools

On Day-3, Mr Ch Siva Rajesh, clearly explained How to create spreadsheet and Format cells, rows, columns, and entire worksheets so they fit and match your data, Using formulas and functions for math, accounting and totaling, after that he clearly explained about Creating charts and diagrams for your data and Creating data lists and forms

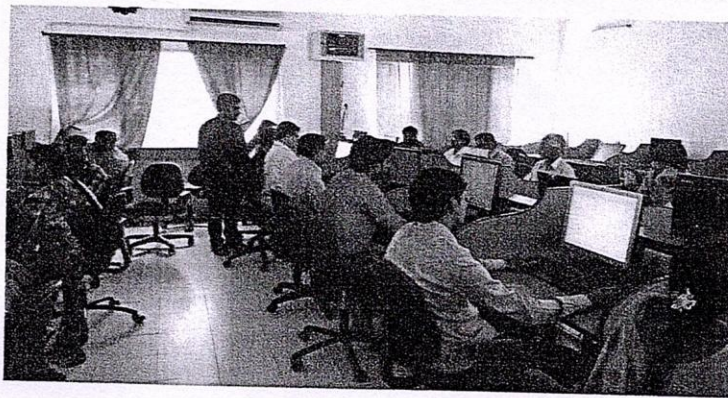

On Day-4, Mr B S S Tejesh, clearly explained creating and using pivot tables and pivot charts and Work with excel templates. After that he clearly explained about Sharing and protecting your worksheets and workbooks.
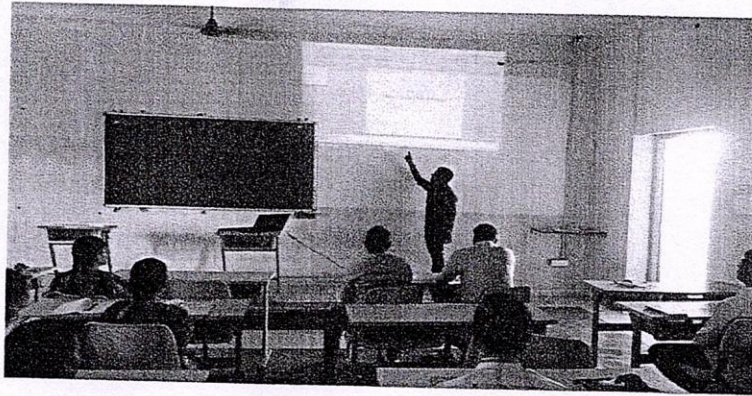

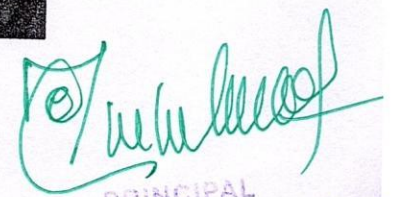

On Day-5, Mr B S S Tejesh, clearly explained navigate the power point 2010 interface and create new presentations from scratch. After that he clearly explained about add text, pictures, sounds, movies and charts to your presentations and design slide using themes, colors and special effects

On Day-6, Mr B S S Tejesh, clearly explained animation on slides and how to make a ball bounce on a slide. After that he clearly explained Work with master slides
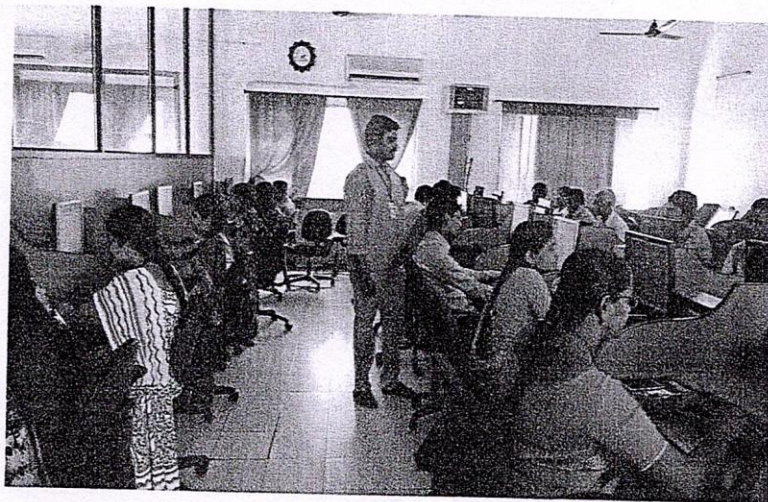

Course Objectives:

This administrative training program gives knowledge on ms word, ms excel and ms power point. This program told about how to navigate the world 2010 interface, how to create tables, charts using ms word and ms excel, how to do mathematical equations for the requirements. How create slides with different themes, how to provide animations to slides.

Course Outcomes:

This administrative training program gave knowledge on ms word, ms excel and ms power point. This program told about how to navigate the world 2010 interface, how to create tables, charts using ms word and ms excel, how to do mathematical equations for the requirements. How create slides with different themes, how to provide animations to slides.

PROGRAM REPORT

Title: A Two Day FDP on Contemporary Teaching Pedagogy for Effective Teaching-Learning Process

Category: Faculty Development Program

Date: 11th & 12th Nov 2020

No. of Resource Persons: 1

No. of Participants: 32

Organizers: Department of Business Administration

Resource Person: Mr. Ch.Venkateswara rao, Asst Prof. Vijaya Institute of Technology.

The faculty development programme started on 11th -NOV -2017 at 9:30 am with opening remarks by the principal, Dr.Ekambaram Naidu. The programme progressed with the inaugural lecture by Dr. N Subramanyam in which he mainly focussed on the importance of innovative ways of classroom teaching. There were 15 external participants from different colleges and institutes and 29 participants from SRK Institute of Technology were attended for this programme.

The first session of the day -1 programme commenced by the resource person Mr. Ch.Venkateswara rao, Asst Prof. Vijaya Institute of Technology in which he mainly focussed on the classroom management techniques and he gave certain relevant examples of the student behaviour during a lecture in the class room. In the second session he mainly focused on Content Knowledge and skill. The speaker also pointed out the different types and benefits of inclusive teaching in the class room.

The second day of the program started with a positive quote given by the speaker. In the third session the speaker shared his personal experiences regarding how he faced different challenges in making the effective teaching environment in the class room. In this session he gave a task to the participants and reviewed the responses of and made suggestions to them.

In the last session the speaker gave inputs on 5 Pedagogical Approaches in which the teacher can comfortably follow one or more approaches to make the teaching learning process in an interesting manner. The speaker differentiates the learning results of traditional ways of teaching versus the modern way of innovative teaching.

PRINCIPAL
SRK Institute of Technology
ENIKEPADU, VIJAYAWADA-521 108.

The speaker also put emphasis on the freely available online resources through which the teaching pedagogy can transform in to interesting fact to the students. He also highlighted the student`s interest in innovative method of teaching.

A concluding session followed after the tea break in which participants shared their experiences. In the Mrs. B.Indira Assistant Professor, department of business administration proposed the vote of thanks and concluded the three days faculty development programme. This marked the end of the programme.
