**TO WHOM IT MAY CONCERN**

This is to certify that M.Sri Satya Sravanthi of SRK Institute of Technology has undergone and successfully completed her internship with APITA (Andhra Pradesh Information Technology Academy, Vijayawada) from 11-05-2018 to 10-06-2018.

During this period she played a pivotal role in her assigned project for 'LEAP' (Look for Employees in Andhra Pradesh) which aimed at bridging the gap between the students and the Industry along with exploring mutual employment prospects.

She was actively involved in various tasks associated with the project and contributed extensively in different functions:

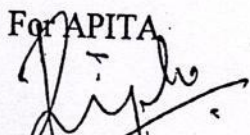

- Coordinating with internal stakeholders to understand the requirements from corporate and simultaneously mapping the students from various colleges who are meeting the fitment criteria
- End to End data consolidation and analysis to ensure a clear track of data is maintained which can be used to evaluate the project's performance across different parameters
- Interacting with students directly and providing them with the right set of information about the companies and their expectations
- On ground coordination with senior officials of various companies who have come for recruitment and college authorities with the task to maximize recruits and make this project a success

~~We found her receptive for new ideas and concepts, which she absorbs and adopts effectively. She has contributed positively and enthusiastically through her work.~~

She is a quick learner and carried out all the tasks assigned to her effectively during the training internship. She exhibited good analytical as well as communication skills.

We wish her good luck in all her future endeavors.

**TO WHOM IT MAY CONCERN**

This is to certify that **L. Revanth Kumar** of **SRK Institute of Technology** has undergone and successfully completed his internship with **APITA (Andhra Pradesh Information Technology Academy, Vijayawada)** from **11-05-2018 to 10-06-2018**.

During this period he played a pivotal role in his assigned project for 'LEAP' (Look for Employees in Andhra Pradesh) which aimed at bridging the gap between the students and the Industry along with exploring mutual employment prospects.

He was actively involved in various tasks associated with the project and contributed extensively in different functions:

- Coordinating with internal stakeholders to understand the requirements from corporate and simultaneously mapping the students from various colleges who are meeting the fitment criteria
- End to End data consolidation and analysis to ensure a clear track of data is maintained which can be used to evaluate the project's performance across different parameters
- Interacting with students directly and providing them with the right set of information about the companies and their expectations
- On ground coordination with senior officials of various companies who have come for recruitment and college authorities with the task to maximize recruits and make this project a success

We found him receptive for new ideas and concepts, which he absorbs and adopts effectively. He has contributed positively and enthusiastically through his work.

He is a quick learner and carried out all the tasks assigned to him effectively during the training internship. He exhibited good analytical as well as communication skills.

We wish him good luck in all his future endeavors.
