| 3.5.1. Number of Collaborative activities for research, Faculty exchange, Student exchange/ internship per year (10) |
|---|

**2015-16**
S.No	Name of the Depatment	Name of the institution/ industry/ corporate house with which MoU is signed	Date and Year of Starting Collabration	Areas of collaboration	Outcomes of the Collabration	Number of students/teachers participated under MoUs
1	EEE	Sri Lakshmi Ganapathi Engineering Works	4.06.2015	Industrial Visit - Kumar Pumps & Motors	Students are able to learn about motor maintenance,materials to be used in motor like conductor,insulators etc	49
2	EEE	M/S Microlink Perpheral Controls (P) Ltd, Vijayawada	30.06.2015	Two days Workshop on "PCB Design"	Students are able to acquire knowledge in the design of various electronic circuits on printed circuit boards	58
3	EEE			Internship Program - Embedded System Design with Microcontroller & Programming	Student got experience to integrate hardware and software for micro controller application systems	5
4	EEE			Internship Program - Embedded System Design with Microcontroller & Programming	Student got experience to integrate hardware and software for micro controller application systems	5
5	ECE			Two days Workshop on "PCB Design".	Students are able to acquire knowledge in the design of various electronic circuits on printed circuit boards	114
6	ECE			FDP on " Embedded System Design"	Participants are able to understand how interface 8051 micro controller with LCD,KEYBOARD ETC	30
7	ECE			30-days Internship Training on "Embedded Systems Design with Microcontroller & Programming"	Student got experience to integrate hardware and software for micro controller application systems	10
8	ECE			30-days Internship Training on "Embedded Systems Design with Microcontroller & Programming"	Student got experience to integrate hardware and software for micro controller application systems	9

S.No	Name of the Depatment	Name of the institution/ industry/ corporate house with which MoU is signed	Date and Year of Starting Collabration	Areas of collaboration	Outcomes of the Collabration	Number of students/teachers participated under MoUs
9	CSE	NECX PRIVATE LIMITED	01.09.2015	4 Months Certification Program on " Microsoft Edu-Cloud Services"	Students got awareness on Microsoft Edu-Cloud Services	41
10	CSE			Weeks Summer Internship 2016 on " Microsoft Edu - Cloud Services"	Students got awareness on Microsoft Edu-Cloud Services	5
11	CSE	Microsoft	2.12.2015	Certificate Program on " Networking Fundamentals"	The student is able to develop LAN Networking	99
12	CSE			Certificate Program on " Networking Fundamentals"	The student is able to develop LAN Networking	65
13	CSE			Certificate Program on " Database Fundamentals"	The students got knowledge on data base management concepts and their applications	26
14	MCA			Certificate Program on "Networking Fundamentals"	The student is able to develop LAN Networking	21
15	ME	Siemens Industry Software India Private Ltd And Jytra Engineering Services	18.01.2016	Add-on Program on "Siemens Product Lifecycle	Students got good knowledge on CAM/CADD/CAE	32
16	MBA	Artha Financial Professionals' Guru	28.01.2016	Project (Bonanza)	Students are exposed to various financial activities of selected company and study	1
17	MBA			Project (Optimus)	Students are exposed to various financial activities of selected company and study	1
18	MBA			Two day Faculty Development Programme on	faculty gained good knowledge on derivatives	27
19	ECE	eEL Technologies India Pvt	02.02.2016	FDP on "Real Time Signal and Image Processing using Xilinx Viado and Zynq - 7000 SOC"	good knowledge is gained on real time video,image,audio,signal processing applications	34
20	CSE	Oracle Work Force Development Program	23.02.2016	A Certification Program on " Java SE 6 Programmer	It certified the students on skills and knowledge related to java products and	26

22	CSE	Microsoft	02.01.2017	Certificate Program on " Database Administration Fundamentals"	Depth knowledge on database management is accquired	51
23	MBA	Wright Tech Software Solutions Pvt. Ltd.	23.01.2017	One week Faculty Development Programme on "Application of Talley"	different applications on talley were learnt	35
24	MBA			Guest Lecture on Basics of Accounting	Faculty gave a lot of knowledge to students on basics of accounting	1
25	EEE			Certificate Program on "Hardware & Networking"	Students are able to apply their knowledge about computer peripherals	13
26	EEE	UTL Technologies(Ministry Of Skill Development And Entrepreneurship (Msde))	15.04.2017	Certificate Program on "Windows Server 2012"	Windows server has progressed in helping businesses benefit from the advantages of virtulization and remote desktop publishing	12
27	ECE			Certification Program on " C-Programming"	Students acquired Programming skills which are suitable to real time requirements	19
28	ECE			Certificate Program on "Micro Controller"	Students acquired good programming knowledge on microcontrollers	15
29	ECE			FDP on " Long Term Evolution(LTE)"	knowledge is gained on internet of things,cloud computing management etc	7
30	ECE			Certificate Program on "LINUX Internals and System Programming"	Students acquired good knowledge on LINUX shell Programming and can develop their own kernels	14

33	CSE			Certificate Course on "Module1: CCNA Routing and Switching"	students achieved the entry level CCNA to produce empowered to design , install and maintain networks	37
34	CSE			Certificate Course on "Module2: CCNA Routing and Switching"	students achieved the entry level CCNA to produce empowered to design , install and maintain networks	48
35	CSE			Certificate Course on "Module3: CCNA Routing and Switching"	students achieved the entry level CCNA to produce empowered to design , install and maintain networks	48
36	CSE, IT			A One-day Seminar on "Women Rock IT"	students are knew about various personality traits	176
37	IT			Certificate Course on "Programming Essentials in C"	students acqiure knowledge to start own studies,and to open a path to the developer's carrer	25
38	IT			Certificate Course on "Programming Essentials in Python"	students acqiure knowledge to start own studies,and to open a path to the developer's carrer	35
39	MBA	Wright Tech Software Solutions	12.02.2018	Guest Lecture	Faculty gave a lot of knowledge to students on basics of Indian Accounting Standards (IAS)	1
40	MCA	NECX PRIVATE LIMITED	04.09.2018	Four Weeks Summer Internship 2019 on " Machine Learning"	Students learnt about Meachine Learning Algorithm	4
41	EEE	Skill Development Center, APSSDC	04.04.2018	Threeday Workshop on Programmable Logic Controller Fundamentals 2018-2019	Students has gained knowledge in PLC fundamentals	70
42	EEE			One Week Workshop on " Programmable Logic Controller Design"	Faculty has gained knowledge in PLC fundamentals	6

Enikepadu, Vijayawada - 521108.
Phone No. : 0866 - 2843839
e-mail : srktech@gmail.com

S.No	Name of the Depatment	Name of the institution/ industry/ corporate house with which MoU is signed	Date and Year of Starting Collabration	Areas of collaboration	Outcomes of the Collabration	Number of students/teachers participated under MoUs
43	CE			AUTOCADD CERTIFICATION PROGRAM	The students are able to manipulate drawing through editing and plotting techniques	30
44	EEE			Threeday Workshop on PLC Advanced	Students has learn about how to interface the hardware and their software coding for different applications in PLC	70
45	ECE			3-day Workshop on "Scilab".	The student are learnt about basic concepts of programming using Scilab	93
46	ECE			Faculty Training Program on "Embedded System(IOT)"	Faculty are able to give real world coding experience znd hands on project work with ARM based microcontrollers	2
47	ECE	Skill Development Center, APSSDC	04.04.2018	3-day Workshop on "Embedded System(IOT)"	Students are able to give real world coding experience znd hands on project work with ARM based microcontrollers	107
48	ECE			Six-day Workshop on "Engineering Orientation Program"	Students aquire knowledge on Electronics and Telecom ffor different real time applicaions	108
49	CSE			An Add - on program " Google Android Developer Fundamentals"	Students are learn to install android stuido and basic ideas and advanced concepts	59
50	IT			An Add - on program " Google Android Developer Fundamentals"	Students are learn to install android stuido and basic ideas and advanced concepts	40
51	CSE			An Add - on program " Google Android Developer Fundamentals"	Students are learn to install android stuido and basic ideas and advanced concepts	55
52	CSE			An Add - on program "Engineering Orientation Program"	Students are able to do small apps of their own interest	107

S.No	Name of the Depatment	Name of the institution/ industry/ corporate house with which MoU is signed	Date and Year of Starting Collabration	Areas of collaboration	Outcomes of the Collabration	Number of students/teachers participated under MoUs
2019-20						
1	EEE	Sri Lakshmi Ganapathi Engineering Works	04.06.2019	Industrial Visit - Kumar Pumps & Motors	Students are able to learn about motor maintenance,materials to be used in motor like conductor,insulators etc	70
2	ECE	M/S Microlink Perpheral Controls (P) Ltd, Vijayawada	12.06.2019	Two days Workshop on "PCB Design"	Students are able to acquire knowledge in the design of various electronic circuits on printed circuit boards	121
3	EEE			30-days Internship Training on "Embedded Systems Design with Microcontroller & Programming"	Student got experience to integrate hardware and software for micro controller application systems	5
4	ECE			30-days Internship Training on "Embedded Systems Design with Microcontroller & Programming"	Student got experience to integrate hardware and software for micro controller application systems	10
5	ECE			30-days Internship Training on "Embedded Systems Design with Microcontroller & Programming"	Student got experience to integrate hardware and software for micro controller application systems	9
6	ECE	Apply VOLT	10.08.2019	4-days Workshop on "VLSI Design (Vivado Design Flow using Xilinx Tools)".	Student got experience to Vlsi Technology	61
7	ECE			3-days Workshop on " VLSI / FPGA Design & Test CAD Tool Flow in Mentor Graphics"	students acquire latest trends in VLSI design	50
8	ECE			3-days Workshop on "Vivado Design Flow using Xilinx Tools".	students acquire latest trends in VLSI design	63
9	ECE			30-days Internship Training on "VLSI Design by using Xilinx Vivado	Student got experience to VIVADO TOOLS	9

S.No	Name of the Depatment	Name of the institution/ industry/ corporate house with which MoU is signed	Date and Year of Starting Collabration	Areas of collaboration	Outcomes of the Collabration	Number of students/teachers participated under MoUs
10	ECE	Apply VOLT	10.08.2019	3-days Workshop on "High level Synthesis flow of Zynq 7000SoC	Student got experience to VIVADO TOOLS	52
11	ECE			30-days Online Internship Training on "VLSI Design by using Mentor Graphics EDA Tool"	Student got experience to VIVADO TOOLS	8
12	CE	Skill Development Center, Apssdc	14.08.2019	ctural Modelling Usir	students are learn to develop higher quality , more accurate architecture designs	36
13	ECE			3-day Workshop on "Problem Solving and Programming Skills using Python"	students are able to write progrms to slove related to mathematics and Engineering	56
14	ECE			3-day Workshop on "Problem Solving and Programming Skills using Python"	students are able to write progrms to slove related to mathematics and Engineering	56
15	IT			Problem Solving and Programming in Python Phase - II	students can handle data visuvalization, data manupulation, pandas, numpy	42
16	IT			Data Analysis Using python	students can handle data visualization	30
17	IT			Python Programming	students can handle data visuvalization, data manupulation, pandas, numpy	32
18	S&H			Problem Solving Ski	participants are developed their knowledge and skills in developing various solutions for sloving engineering problems in the society	175
19	MCA			An Add - on program "Web Development Wth Python"	Students will be good at basic knowledge in Python Programming	31
20	CSE			Faculty Development Program on "Google Android APP Development"	good knowledge is gained on google android development	25

21	CSE	Skill Development Center, Apssdc	14.08.2019	An Add - on program " Web Development Using Python"(2019-20)	Students will be good at basic knowledge in Python Programming	56
22	CSE			An Add - on program " Web Development Using Python"	Students will be good at basic knowledge in Python Programming	58
23	ME	Kusalava International Ltd.	03.02.2020	Industrial visit	Students are exposed to various financial activities of selected company and study the financial soundness	100
24	EEE	L4G Solutions Private Limited Hyderabad	10.04.2020	Introduction to Artificial Intelligence (AI)	students learn about issues and concerns surrounding AI	13
25	EEE			Getting Started with AI using IBM Watson	students learn about issues and concerns surrounding AI	6
26	EEE			Building AI Powered Chatbots Without Programming	students learn about issues and concerns surrounding AI	5
27	ECE			Online Course on "The Arduino Platform and C Programming "	Students will learn how the Arduino Platform works in terms of physical board and libraries	36
28	ECE			Online Course on "Programming for Everybody (Getting Started with Python)"	students ar learn aout basic principles of Python programming Language	46
29	CSE	RedHat Academy	23.07.2020	Traine the Traners program "Red Hat System Administration 1 & II" Educator Training	participats learnt about Linux Nd related commands	2
30	MCA	Edu Skills	17.06.2020	Training Program on " Blue Prism Foundation Training"	students learnt about implementation real time problems using Blueprism tool	19
31	CSE			Online Training Program on "AWS Academy Graduate- AWS Academy Cloud Foundation"	students are able to know AWS Global Infrastructure	50
32	MCA			Online Training Program on "AWS Academy Graduate - AWS Academy Cloud Foundations"	students are able to know AWS Global Infrastructure	19

34	ECE	Edu Skills (AWS Academy)	17.06.2020	Online Course on "AWS Cloud Practitioner Training Program"	students are able to know AWS Global Infrastructure	35
35	CSE	Bennett University	21.04.2018	4 Weeks Winter Internship 2019 on " AI and Deep Learning" (2019-20)	students leant about Ai projects	200
36	EEE			A Workshop on "Artificial Intelligence and Deep Learning"	participante learn about indepth knowledge on deep neural networks and meir applications	3
37	CSE			An Add-on Program "Artificial Intelligence Using Visual Programming"	participant learnt about orange tool, ML	119
38	CSE			5-day Workshop on AI & DL	participante learn about indepth knowledge on deep neural networks and meir applications	3
39	CSE			An Add-on Program "Artificial Intelligence Using Visual Programming"	participant learnt about orange tool, ML	129
40	CSE			A Webinar on "Essentials for Setting - up an AI/DL Lab"	participants are learn about setting up an AI/DL lab	1
41	CSE			A Webinar on "Designing Course Curriculum for B.Tech. In AI and Data Science	curriculum for CSE with Ai designed	1
42	CSE	CISCO NET ACADEMY Activities	04.05.2018	"CISCO Pool Campus Drive"	pool drive	109
43	CSE			2. CISCO Systems (India) Private Limited Internship Program	Students are specialised in different programming languages	3
44	CSE			Certificate Program on "Introduction to IoT"	students are learnt abiut impact of digiatal transformation and IOT devices	51
