

Faculty Achievements

S.NO	NAME	ACHIEVEMENTS
1	Dr.P.DANAIAH	1)Got SERB travel grant to Germany for attending International Conference. 2)Attended as one of the keynote speaker in International Conference on Advanced Fuels for Sustainable Mobility. 3)Got Teaching Excellence Award from Indo-Global Summit and Expo 2017 in 19th July 2017 at Hyderabad.
2	V.KRANTHI KUMAR	1) Life member in Indian Society of Technical Education and American Society of Mechanical Engineer 2) published two international and one national journal papers.
3	BALA CHINA LINGAM VANAM	1)Won as a shuttle runner at ANU in 2011. 2)Attended International Conference on static analysis of isotropic material by FEM at ICMPC. 3)Published Static Analysis of Isotropic Material by FEM in IJMERE.
4	G.DURGA PRASAD	1) Life member in Indian Society of Technical Education. 2) published one international and one national journal papers.
5	Y N V SANTOSH	1) Life member in Indian Society of Technical Education 2) Letter of appreciation from ARK info solutions Pvt. Ltd. for coordinating the student skill development program in AutoCAD. 3)Completed NCC-C certificate 4) Published Design And Analysis of leaf spring in IJMERE.
6	ROGNATHA RAO DASI	1) Life member in Indian Society of Technical Education 2) Attended NAASTRAN THHROUGH CAD CONDUCTED BY APSSDC. 3) published a paper on empirical modelling and multi objective optimisation of laser machining in IJMERE. 4) Attended international conference on advanced materials conducted in JNTU KAKINADA. 5)Attended and certified in one month communication skills in inclusive of class room conducted by BEC.
7	MUTHA GAYATRI	1)Committee member for FDP conducted in AITAM, tekkali. 2)Won silver medal in KHO-KHO in state level competition in school level.
8	CHERUKURI KARTHIK SAI	1) Life member in Indian Society of Technical Education 2) Presented a paper in ICCET which is an international conference on advanced material. 3) Published a paper on "Geometric parameters optimization & analysis of packing robot arm using ansys" in IJARBEST whose impact factor is 5.023 4) Published a paper on "Effect on width, height and penetration of V-groove butt joint weld bead by varying process parameters" in IRJET whose impact factor is 6.171 5) Published a paper on "Influence of piezoelectric material on cantilever plate natural frequencies" in IJCAR whose impact factor is 5.995 6) Attended APSSDC webinar conducted by "IUCEE EPICS AP design thinking"

9	MVB SAMPATH	Life member in Indian Society of Technical Education; Two Publications in IJCAR,IRJET
10	ZADDU JITENDRA	1) Life member in Indian Society of Technical Education 2) Published a paper on " Effect of process parameters on weld bead geometry of narrow V-groove butt joint" in Journal of Computing Technologies whose impact factor 2.91. 3)Published a paper on "Influence of piezoelectric material on cantilever plate natural frequencies" in IJCAR whose impact factor is 5.995. 4)Published a paper on "Effect on width, height and penetration of V-groove butt joint weld bead by varying process parameters" in IRJET whose impact factor is 6.171. 5) Letter of appreciation from ARK info solutions Pvt. Ltd. for coordinating the student skill development program in AutoCAD.
11	P.BHAGYA LAKSHMI	1) Life member in Indian Society of Technical Education 2)Published one international paper and given one international conference on composites
12	A.STANLY KUMAR	1) Life member in Indian Society of Technical Education and American Society of Mechanical Engineer 2) published four international and two national journal papers.
13	JSV GOPI CHAND	1) Awarded silver medal for good performance in M.Tech 2) Published a in scopes indexed journal "IJCTA" on "Automatic parking system for automobiles" 3) Published a in scopes indexed journal "IJCTA" on "Home automation for divyang persons" 4) Completed NCC-C certificate 5) Lead university NCC wing
14	G.KRISHNAKANTH	published one paper in national journal at vit university, willing to learn and achieve, goal oriented, adaptable ability, understanding ability,
15	M.A.RAAFE	1)Secured 2nd prize in Cricket during inter college championship. 2)Willing to learn and achieve. 3)Quick perception. 4)Goal oriented.
16	G.VIJAYA RAO	1)Published TWO paper in international journal , 2)Willing to learn and achieve, 3)Goal oriented 4)Adaptable ability, 5)Understanding ability,
17	R.SAMBATHKUMAR	1) Life member in Indian Society of Technical Education. 2)Won Bronze medal in Painting in District level competition. 3)Secured Runner Up in Cricket district level competition. 4)Published a paper on "Implementing lean tools in centrifugal pump manufacturing industries " in Missa .
